

The background of the cover is a composite image. At the top, a black crow is shown from a high angle with its wings fully spread, as if it is landing or taking flight. Below the crow, the upper portion of a human face is visible. The face is pale and has a soft, ethereal quality. Instead of a natural eye, there is a camera lens mounted on the face, looking directly forward. The overall color palette is muted, with greys, blacks, and pale skin tones.
