AK CATALOGUE 2019 , AK CATALOGUE 2021 , **Artifactual** Elizabeth Anne Davis,2023-07-14 In *Artifactual* Elizabeth Anne Davis explores how Cypriot researchers scientists activists and artists process and reckon with civil and state violence that led to the enduring division of the island using forensic and documentary materials to retell and recontextualize conflicts between and within the Greek Cypriot and Turkish Cypriot communities Davis follows forensic archaeologists and anthropologists who attempt to locate identify and return to relatives the remains of Cypriots killed in those conflicts She turns to filmmakers who use archival photographs and footage to come to terms with political violence and its legacies In both forensic science and documentary filmmaking the dynamics of secrecy and revelation shape how material remains such as bones and archival images are given meaning Throughout Davis demonstrates how Cypriots navigate the tension between an ethics of knowledge which valorizes truth as a prerequisite for recovery and reconciliation and the politics of knowledge which renders evidence as irremediably partial and perpetually falsifiable **Lebanon** William Harris,2012-06-12 In this impressive synthesis William Harris narrates the history of the sectarian communities of Mount Lebanon and its vicinity He offers a fresh perspective on the antecedents of modern multi communal Lebanon tracing the consolidation of Lebanon s Christian Muslim and Islamic derived sects from their origins between the sixth and eleventh centuries The identities of Maronite Christians Twelver Shia Muslims and Druze the mountain communities developed alongside assertions of local chiefs under external powers from the Umayyads to the Ottomans The chiefs began interacting in a common arena when Druze lord Fakhr al Din Ma n achieved domination of the mountain within the Ottoman imperial framework in the early seventeenth century Harris knits together the subsequent interplay of the elite under the Sunni Muslim Shihab relatives of the Ma ns after 1697 with demographic instability as Maronites overtook Shia as the largest community and expanded into Druze districts By the 1840s many Maronites conceived the common arena as their patrimony Maronite Druze conflict ensued Modern Lebanon arose out of European and Ottoman intervention in the 1860s to secure sectarian peace in a special province In 1920 after the Ottoman collapse France and the Maronites enlarged the province into the modern country with a pluralism of communal minorities headed by Maronite Christians and Sunni Muslims The book considers the flowering of this pluralism in the mid twentieth century and the strains of new demographic shifts and of social resentment in an open economy External intrusions after the 1967 Arab Israeli war rendered Lebanon s contradictions unmanageable and the country fell apart Harris contends that Lebanon has not found a new equilibrium and has not transcended its sects In the early twenty first century there is an uneasy duality Shia have largely recovered the weight they possessed in the sixteenth century but Christians Sunnis and Druze are two thirds of the country This book offers readers a clear understanding of how modern Lebanon acquired its precarious social intricacy and its singular political character **Music and Revolution** Robin D. Moore,2006-04-28 Annotation A history of Cuban music during the Castro regime 1950s to the present Three

Plays of Maureen Hunter Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New **Lebanon** William W. Harris, 2012-07-19 Foundations Emerging communities 600 1291 Druze ascent 1291 1633 Mountain lords 1633 1842 Modern Lebanon Emerging Lebanon 1842 1943 Independent Lebanon 1943 1975 Broken Lebanon 1975 2011 **A Daughter's Search for Her Father** Bruce Eekma, 2011-10-21 Margaret was already twenty years old married and had her first child when she found out from strangers that the man she called Dad was not her biological Father She was told her biological Father was a German during the second World War an enemy of the Dutch people therefore neither her Mother or any of her Family were willing to talk about her birth Then on a trip to Amsterdam the Netherlands the Author was able to obtain Margaret's original Birth certificate This Birth certificate contained some important dates which sent him on a trip through two World Wars and believes he discovered what happened to Margaret's Father The Oxford Handbook of the History of Communism S. A. Smith, 2014 Draws on documentation released since the fall of the Soviet Union to offer a global history of communism in the twentieth century **America's God and Country** William J. Federer, William Joseph Federer, 1994 An Invaluable resource highlighting America's noble heritage profound quotes from founding fathers presidents statesmen scientists constitutions court decisions for use in speeches papers debates essays *Psychoanalysis and the family in twentieth-century France* Richard Bates, 2022-02-08 In the last quarter of the twentieth century if French people had a parenting problem or dilemma there was one person they consulted above all Fran oise Dolto 1908 88 But who was Dolto How did she achieve a position of such influence What ideas did she communicate to the French public This book connects the story of Dolto's rise to two broader histories the dramatic growth of psychoanalysis in postwar France and the long running debate over the family and the proper role of women in society It shows that Dolto's continued reputation in France as a liberal and enlightened educational thinker is at best only partially deserved and that conservative and anti feminist ideas often underpinned her prominent public interventions While Dolto retains the status of a national treasure her career has had far reaching and sometimes harmful repercussions for French society particularly in the treatment of autism **White Lies about the Inuit** John Steckley, 2008-01-01 In this lively book designed specifically for introductory students Steckley unpacks three white lies the myth that there are fifty two words for snow that there are blond blue eyed Inuit descended from the Vikings and that the Inuit send off their elders to die on ice floes Snow and Steel Peter Caddick-Adams, 2014-10-31 Between December 16 1944 and January 15 1945 American forces found themselves entrenched in the heavily forested Ardennes region of Belgium France and Luxembourg defending against an advancing German army amid freezing temperatures deep snow and dense fog Operation Herbstnebel Autumn Mist was a massive German counter offensive that stunned the Allies in its scope and intensity In the end the 40 day long Battle of the Bulge as it has come to be called was the bloodiest battle fought by U S forces in World War II and indeed the largest land battle in American history Before effectively halting the German advance some 89 000 of the 610 000 American servicemen committed to the campaign

had become casualties including 19 000 killed The engagement saw the taking of thousands of Americans as prisoners of war some of whom were massacred by the SS but it also witnessed the storied stand by U S forces at Bastogne as German forces besieged the region and culminated in a decisive if costly American victory Ordered and directed by Hitler himself against the advice of his generals the Ardennes offensive was the last major German offensive on the Western Front In the wake of the defeat many experienced German units were left severely depleted of men and equipment Its last reserve squandered these irreplaceable losses would hasten the end of the war In Snow and Steel Peter Caddick Adams draws on interviews with over 100 participants of the campaign as well as archival material from both German and US sources to offer an engagingly written and thorough reassessment of the historic battle Exploring the failings of intelligence that were rife on both sides the effects of weather and the influence of terrain on the battle s outcome Caddick Adams deftly details the differences in weaponry and doctrine between the US and German forces while offering new insights into the origins of the battle the characters of those involved on both the American and German sides from the general staff to the foot soldiers the preparedness of troops and the decisions and tactics that precipitated the German retreat and the American victory Re examining the SS and German infantry units in the Bulge he shows that far from being deadly military units they were nearly all under strength short on equipment and poorly trained kept in the dark about the attack until the last minute they fought in total ignorance of their opponents or the terrain Ultimately Caddick Adams concludes that the German assault was doomed to failure from the start Aided by an intimate knowledge of the battlefield itself and over twenty years of personal battlefield experience Caddick Adams has produced the most compelling and complete account of the Bulge yet written

Killing Hope William Blum,2003-07-31 Is the United States a force for democracy From China in the 1940s to Guatemala today William Blum presents a comprehensive study of American covert and overt interference by one means or another in the internal affairs of other countries Each chapter of the book covers a year in which the author takes one particular country case and tells the story and each case throws light on particular US tactics of intervention

Atwood,2022-02-03 There are many fine published works on the lives and deaths of martyrs and there is no shortage of information on the martyrs of history However it is difficult to find one source that describes the lives of martyrs in a comprehensive way *Precious in the Eyes of the Lord* Martyrdom in Christian Tradition presents an account of one hundred martyrs across history Beginning with the first martyr Abel in the Old Testament and concluding with the Acteal martyrs of Mexico in the late twentieth century the stories of these men and women not only highlight the virtues of charity fortitude and patriotism but also reveal the love of God in their hearts

And the Witnesses Were Silent Wolfgang Gerlach,2000-01-01 An endlessly perplexing question of the twentieth century is how decent people came to allow and sometimes even participate in the Final Solution Fear obviously had its place as did apathy But how does one explain the silence of those people who were committed active and often fearless opponents of the Nazi regime on other grounds those

who spoke out against Nazi activities in many areas yet whose response to genocide ranged from tepid disquiet to avoidance One such group was the Confessing Church Protestants who often risked their own safety to aid Christian victims of Nazi oppression but whose response to pogroms against Jews was ambivalent **Dracula** Matei Cazacu,2017-07-10 Originally published in French in 2004 Matei Cazacu's Dracula remains the most authoritative scholarly biography of the Wallachian prince Vlad III the Impaler 1448 1456 1462 1476 Its core is an exhaustively researched reconstruction of Dracula's life and political career using original sources in more than nine languages In addition Cazacu traces Dracula's metamorphosis at the hands of contemporary propagandists into variously a bloodthirsty tyrant and an early modern great sovereign Beyond this Cazacu explores Dracula's transformation into the vampire prince in literature film and folklore with surprising new discoveries on Bram Stoker's sources for his novel In this first English translation the text and bibliography are updated and readers are provided with an appendix of the key sources for Dracula's life in fresh and accurate English translations
