The Reluctant Groom Debbie Macomber, 2015-01-27 www.DebbieMacomber.com All Things Considered Judd Matthiessen was married and it didn't work out. He left his wife Lanni and their daughter which seemed to prove what his father had always said: he was no good. But now the old man's illness brings Judd back to the family ranch. Despite all his bitterness, all his anger, Judd asks Lanni to join him. When she does, he finds that he still has strong feelings for her and he has to wonder: Is there such a thing as a second chance? Almost Paradise Jeff Roarke has a strict no romance in the workplace policy. So what if the workplace happens to be a summer camp deep in the woods? He's the camp director and he's against anything that will distract the kids or the counselors. And there's nothing more distracting than love. He discovers how true that is when he falls for counselor Sherry White. He's determined to resist her and she's just as determined not to let him.

A Dictionary of the English Language ... The fifth edition Samuel Johnson, 1785 **Unlikely Beginnings** Aubrey Hoffmann, 2025-05-01 *Unlikely Beginnings* is a captivating romance that proves love can bloom in the most unexpected places. Butch, a driven successful doctor in Houston, has everything he could want except time for anything or anyone beyond his work. When an irresistible opportunity pulls him back to his family's farm, Butch finds himself in the last place he ever imagined: facing his past, his fears, and a future that's suddenly very uncertain. Enter Cassandra, a simple hardworking woman with no grand ambitions who's content with her quiet life in the countryside. But when sparks fly between her and Butch, a single moment of passion leads to a life-changing surprise: a baby on the way. What starts as a fling becomes a love neither of them expected. As Butch grapples with the realization that his world is falling apart, he must decide whether to fight for the family he never planned on or lose it all. Full of heart, heat, and surprising twists, *Unlikely Beginnings* is a compelling love story about second chances, facing fears, and discovering that sometimes the most powerful love comes from the most unlikely places. Will Butch and Cassandra's love survive the unexpected? Find out in this unforgettable romance filled with raw emotions, real-life struggles, and a deep connection that's hard to resist.

The Identities of Catherine de' Medici Susan Broomhall, 2021-07-05 In *The Identities of Catherine de' Medici*, Susan Broomhall provides an innovative analysis of the representational strategies that constructed Catherine de' Medici and sought to explain her behaviour and motivations. Through her detailed exploration of the identities that the queen, her allies, supporters, and clients sought to project and how contemporaries responded to them, Broomhall establishes a new vision of this important sixteenth-century protagonist, a clearer understanding of the dialogic and dynamic nature of identity construction and reception, and its consequences for Catherine de' Medici's legacy, memory, and historiography.

Version One Is Better Than Version None KR Goswami, 2021-05-26 When I was in Indian Air Force and flying in the chopper, the pilot planned sorties primarily based on assumptions. Taking off at the helipad, landed at the destination place, and gave room for an emergency landing if something went wrong. He covered all the checkpoints before taking off, but he knew that all the identical decisions would be made on

the way He never tried to forecast for the entire route rather than picking up the current weather report available at the time of take off as it was needed to adjust in real time situations and never stuck The ability to sit try and work out every possibility was always available but the flight plan he took on take off was always version one The project that he ended up executing by the time we landed at our destination was probably Version four or five Another example of version one for me while making videos for uploading to YouTube was the biggest challenge when I pushed through the first clip But I continued with my plans to serve and give to the target audience by narrating a couple of great stories that happened to me And ultimately my 21st video was much more attractive than my first video In any journey whether it is a stage presentation podcast episode cycling race or writing book version one of them was nowhere near the robustness of version nine It was always my first time in every prevailing situation that met the tire with the rugged road but as long as a Suck Less next time the newer version was always better than the previous I could keep on moving till I achieved momentum If you fall out of speed then you are dead in the water So often we can be paralyzed by fear Becoming stuck at the weight of a decision and not wanting to make a bad decision This slowing down of our thought processes is really counterproductive and it should not be allowed to be your default mindset to set in your business brain The secret to enabling yourself to make decisions and keep moving is as easy as reciting my favorite saying Version One is better than Version None Ben Jonson's London Fran C. Chalfant, 2008-07-01 Ben Jonson was a Londoner He lived there from infancy left for only brief periods of travel and used various locales in or near London as the settings for eleven of his seventeen plays Ben Jonson's London opens with a discussion of the purpose scope and success of Jonson's use of London settings as Placenames Chalfant demonstrates that Ben Jonson brought the same judicious erudite and dramatically functional insight to his handling of London topography from overall settings to very brief mentions as he did to his well known use of classical mythological and iconographical detail

John Parker Roth cannot believe that marriage is necessary for his happiness. He would far rather pursue his interest in horticulture, but if one day he should find a female who shared his passion for flowers, a level-headed, calm sort of female, he might reconsider. Certainly the lovely young woman who has just tumbled into his lap will not do, as she possesses neither of those admirable qualities. Yet Miss Margaret Peterson does have many things in her favor. To begin with, she is a true English rose, blushing a delectable pink. And she is not entirely clothed. Her full mouth begs to be kissed. If only she would not wriggle so, oh dear. He cannot ignore the sudden vision of her in his bed, but he must. What is Meg actually asking him to kiss her? Well, well, well. John Parker Roth is a gentleman, first and foremost. And he cannot turn down a lady's request. Praise for the Novels of Sally MacKenzie. The romance equivalent of chocolate cake, every page is an irresistible delight. Lisa Kleypas, New York Times bestselling author. Plenty of sexy sizzle and charming wit. Booklist. Plenty of heat and hilarity. Publishers Weekly. Sally MacKenzie Bundle: The Naked Earl, The Naked Gentleman, The Naked Marquis, The Naked Baron, The Naked Duke, The Naked Viscount, The Naked King, Sally MacKenzie, 2011-07-01. He Took Her By Surprise. When a naked earl climbs through the window into her bedchamber, Lady Elizabeth Runyon does the proper thing. She screams loudly. And then, well, Lizzie has had enough of being proper. She wishes to be bold, wanton, even. She won't be commanded to put on her nightgown. Just this once, she will be absolutely daring. He Couldn't Refuse. John Parker Roth cannot believe that marriage is necessary for his happiness. He would far rather pursue his interest in horticulture, but if one day he should find a female who shared his passion for flowers, a level-headed, calm sort of female, he might reconsider. qualities Yet Miss Margaret Peterson does have many things in her favor To begin with she is a true English rose blushing a delectable pink And she is not entirely clothed The Man Is Practical As marriage proposals go Charles Dray Smith's suit is as romantic as the moors in December Emma Peterson might be only a vicar's daughter and he the new Marquis of Knightsdale and perhaps he would rather marry her than endure the marriage mart But when he suggests how much he'll enjoy securing an heir well a lady can only endure so much Tell Me What You Want New to London society and rather awkward Lady Grace Belmont would just as soon hide behind the palm trees as dance with a man she doesn't know But Baron Dawson is on the hunt for a wife The Surprise Of Her Life Sophisticated Scandalous In fact Miss Sarah Hamilton a proper Philadelphian finds London society altogether shocking How can it be that she has awakened from her innocent slumber to find herself in bed next to a handsome and exceedingly naked man The Naked Truth After eight Seasons in London Lady Jane Parker Roth is ready to quit the dull search for a husband in favor of more exciting pursuits So when she encounters an intruder in her host's townhouse she's not about to let the scoundrel escape Until she discovers she's wrestling a viscount Edmund Smyth the one noble she wouldn't mind meeting in the dark Indiscretion Is Just The Beginning One night of slight overindulgence oh all right he was drunk and Stephen Parker Roth finds he must betroth himself to prevent yet another scandal **Getting**
