Unwinnable Theo Farrell, 2017-09-07 Afghanistan was an unwinnable war As British and American troops withdraw discover this definitive account that explains why It could have been a very different story British forces could have successfully withdrawn from Afghanistan in 2002 having done the job they set out to do to defeat al Qaeda Instead in the years that followed Britain paid a devastating price for their presence in Helmand province So why did Britain enter and remain in an ill fated war Why did it fail so dramatically and was this expedition doomed from the beginning Drawing on unprecedented access to military reports government documents and senior individuals Professor Theo Farrell provides an extraordinary work of scholarship He explains the origins of the war details the campaigns over the subsequent years and examines the West's failure to understand the dynamics of local conflict and learn the lessons of history that ultimately led to devastating costs and repercussions still relevant today The best book so far on Britain's war in Afghanistan International Affairs Masterful irrefutable Farrell records all these military encounters with the irresistible pace of a novelist Sunday Times

Afghanistan's Violent Decades Stanley B. Sprague, 2024-10-24 This book examines the key political and military events in Afghanistan from 1978 to August 2021 It covers the Afghan Soviet war and how that war was followed by an Afghan Civil War that made the country receptive to the rise of the Afghan Taliban It explains how the Taliban secured control of Afghanistan's government and permitted Osama bin Laden to reside in the country while he secretly planned an attack on the American mainland It also covers why Osama bin Laden's al Qaeda terrorists on September 11 2001 flew hijacked airliners into New York City's World Trade Center and the Pentagon It describes how American and NATO forces responded by invading Afghanistan to destroy al Qaeda and to overthrow the Taliban government The 20 year Afghan NATO war which followed would lead to American troops suffering 2 488 dead and 20 722 wounded This book is one of the first to cover this long war written after the war ended in August 2021 giving it a new perspective It offers an even handed coverage of the war based on Taliban American and British sources **Political Violence in Southeast Asia since 1945** Eve Monique Zucker, Ben Kiernan, 2021-04-18 This book examines postwar waves of political violence that affected six Southeast Asian

countries Indonesia Burma Myanmar Cambodia Thailand the Philippines and Vietnam from the wars of independence in the mid twentieth century to the recent Rohingya genocide Featuring cases not previously explored and offering fresh insights into more familiar cases the chapters cover a range of topics including the technologies of violence the politics of fear inclusion and exclusion justice and ethics repetitions of mass violence events impunity law ethnic and racial killings crimes against humanity and genocide The book delves into the violence that has reverberated across the region spurred by local and global politics and ideologies through the examination of such themes as identity ascription and formation existential and ontological questions collective memories of violence and social and political transformation In our current era of global social and political transition the volume s case studies provide an opportunity to consider potential repercussions and outcomes of various political and ideological positionings and policies Enhancing our understanding of the technologies techniques motives causes consequences and connections between violent episodes in the Southeast Asian cases the book raises key questions for the study of mass violence worldwide

New York Magazine ,1974-09-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Long Disenchantment Ilaria Poggiolini,2024-12-27 This book seeks to replace a comforting European narrative of British missed opportunities with a chronicle of the complexity of UK EC EU relations After nearly a decade of Brexit 2016 it revisits the historical evolution of the relationship between Britain and Europe since the 1970s Building on an in depth study of primary and secondary sources the author sheds new light on the intricacies of that relationship The book is structured in six chapters the first of which reflects on the causes of the UK s lack of engagement in the early and crucial developments of the European Community The second chapter revisits ten years of stop go diplomacy of accession and the meaning of the first enlargement for Britain and its partners The third chapter argues that in the early years entry represented for Britain an opportunity to deliver change working with France and Germany inside the EC and as an EC member building new relationships with countries outside including in the Commonwealth The fourth chapter focuses on the dawning realisation that EC membership meant for Britain joining its partners on a journey towards an unknown destination in search of whatever closer Union would mean The Fifth chapter concentrates on the 1980s when on the one hand the British government was to the fore in the creation of a single market while on the other it openly challenged an agreed upon narrative among the continental member states This narrative was one which sought to reshape European values and relationships together with its culture geography and history round a commitment to greater integration The final chapter is an epilogue that examines the political decisions of the last four British prime ministers Major Brown Blair and Cameron in confronting and reacting to the reality of European Union from

the Maastricht Treaty 1992 onward This examination suggests that rather than political continuity discontinuity led the UK through Prime Minister David Cameron s efforts at renegotiation in the EU to Brexit and his instant resignation This book invites readers to rethink refine and challenge the dominant narrative of Britain as a predictable permanent outsider condemned to irrelevance in the EC EU It will appeal to scholars of international relations and political history as well as political decision makers both in Britain and the EU **The iPINIONS Journal** Anthony Livingston Hall,2020-02-13

ANTHONY L HALL takes aim at the global events of 2019 with a unique and refreshing perspective Some of the topics in this volume include Republicans and Democrats aping Sunnis and Shias Even if Democrats impeach Trump in Congress or defeat him at the polls his presidency has already sown seeds of division and dysfunction that could harvest political thorns for a thousand years Social networks abolishing Likes They can t quit likes Because networks are as hooked on the money likes generate as users are on the high they stimulate Colin Kaepernick moving NFL tryout and making new demands Kaepernick must think he s Trump and the NFL the Republican Party Because only delusions of grandeur on that scale explains him thinking he can play the NFL like this White evangelical Christians supporting Trump The hypocrisy inherent in them showing abject loyalty to this two legged golden calf is almost too contemptible for words Suffice it to know that a skunk has more regard for a garden party than Trump has for a house of worship Hong Kongers protesting Chinese rule These protests amount to nothing more than a self hating Stockholm Syndrome like preference for the British over the Chinese Hong Kongers don t want democracy so much as a return to British colonial rule MTV trying to whitewash Michael Jackson s name from VMAs Frankly his pedophile exploits were such that MTV paying any homage to him is tantamount to Jello paying homage to Bill Cosby Rich parents offering bribes to get their kids into elite colleges The real indictment is that despite all the resources at their disposal these parents raised such dumb lazy and untalented kids Failure of latest US North Korea nuclear summit While Trump flew off to take a cold shower back in America Kim was smoking a cigarette and planning sightseeing tours around Vietnam So who do you think is zooming who in their brokeback bromance **Damascus** Ross Burns,2019-01-16 Damascus first published in 2005 was the first account in English of the history of the city bringing out the crucial role it has played at many points in the region s past It traces the story of this colourful significant and complex city through its physical development from the its emergence in around 7000 BC through the changing cavalcade of Aramaean Persian Greek Roman Byzantine Arab Turkish and French rulers to independence in 1946 This new edition has been thoroughly updated using recent scholarship and includes an additional chapter placing the events of the Syrian post 2011 conflict in the context of the city s tumultuous experiences over the last century This volume is a must read for anyone interested in the sweep of Syrian history and archaeology and is an ideal partner to Burns Aleppo 2016 Lavishly illustrated Damascus A History remains a unique and compelling exploration of this fascinating city **The Chemical Trade Journal and Chemical Engineer** ,1918 *The Media World of ISIS* Michael Krona,Rosemary Pennington,2019-11-01 This
