Class 12 Jharkhand Board SBPD Editorial Boards,2023-10-29 HINDI Core HINDI Elective ENGLISH Core ENGLISH Elective ECONOMICS PHYSICS CHEMISTRY BIOLOGY MATHEMATICS COMPUTER SCIENCE Board Question Papers JAC 2023 Of All Subjects *Music and Academia in Victorian Britain* Rosemary Golding,2016-04-29 Until the nineteenth century music occupied a marginal place in British universities Degrees were awarded by Oxford and Cambridge but students and often professors were not resident and there were few formal lectures It was not until a benefaction initiated the creation of a professorship of music at the University of Edinburgh in the early nineteenth century that the idea of music as a university discipline commanded serious consideration The debates that ensued considered not only music s identity as art and science but also the broader function of the university within education and society Rosemary Golding traces the responses of some of the key players in musical and academic culture to the problems surrounding the establishment of music as an academic discipline The focus is on four universities Edinburgh Oxford Cambridge and London The different institutional contexts and the approaches taken to music in each university showcase the various issues surrounding music s academic identity as well as wider problems of status and professionalism In examining the way music challenged conceptions of education and professional identity in the nineteenth century the book also sheds light on the way the academic study of music continues to challenge modern approaches to music and university education *Global Latin(o) Americanos* Mark

Overmyer-Velázquez,Enrique Sepúlveda,2018 *Global Latin o Americanos* addresses and reframes a central issue of our time the challenge of incorporating immigrants into Western societies and economies which too often frame immigrants as the problem How Latino immigrants respond and exercise agency under familiar and unfamiliar global conditions is of critical importance on several fronts including the health of democratic societies and the diverse expressions of citizenship across the Latino diaspora Building on the scholarship of new migratory destinations of people from Latin America and the Caribbean *Global Latin o Americanos* moves toward studies of diasporic citizenship this shift not only de centers U S dominant interpretations but also places less emphasis on the nation state and its economic systems as units of analysis The book includes work by leading scholars of migration in Latin America Asia Europe and the United States It examines a wide range of intraregional and transoceanic migratory flows and addresses critical themes from several disciplinary perspectives

Beyond Intellect and Reasoning Acres A Stowe,2022-03-31 The purpose of this book is to draw readers attention to various legal intricacies associated with deploying self directed artificial intelligence systems AIS particularly emphasizing the limits of the law vis vis liability problems that may emerge within third party contracts With the advent of today s ostensive Amazon Halo or Alexa consumers are having to conclude contracts e g sale of goods and distant financial services in much more complex cybernetic environments Generally with one party acting in the capacity of a human being while the other as an autonomous thing device AIS with capabilities well beyond that of humans representing the interests of others not just other humans Yet traditional jurisprudence is limited in scope for holding these systems legally accountable if they

were to malfunction and cause harm Interestingly within the judicial system itself the use of AIS is more prevalent now including within the criminal justice system in some jurisdictions In the United States for instance AIS algorithms are utilized to determine sentencing and bail processing Still jurists find themselves limited to traditional legal methodologies and tools when tackling novel situations brought about by these systems For example traditional strict liability concept as applied in tort law typically ties responsibility to the person s e g AIS developers influencing the decision making process In contract law particularly where third parties are concerned AIS are equated to tools for the purposes of traditional strict liability rules Thus binding anyone on whose behalf they would have acted irrespective of whether such acts were intentional or foreseeable
