Neoliberalism Economic Policy and the Collapse of the Public Sector Lionel D. Lyles PhD., 2018-07-13 My book demonstrates how classical liberalism was the foundation upon which Thomas Jefferson George Washington Alexander Hamilton and others wrote the Declaration of Independence Constitution and the Bills of Rights however it was rolled back by 1980 and replaced with neoliberalism which was championed by the Reagan Administration In short this ideology has one main aim and that is to shrink government cut the budgets of social programs and give away billions of taxpayer dollars to private business in the form of tax breaks During the Jindal administration and by the end of its first term more than 7 billion worth of tax breaks had been given away to private business A surplus of 1 billion left in the Louisiana treasury by outgoing governor Kathleen Blanco after Hurricane Katrina was given away by the end of the first two months of its first term Today the Louisiana legislature is currently facing a 650 million fiscal cliff and no doubt more budget cuts are in store for the Louisiana public sector

Disillusioned Benjamin Herold, 2024-01-23 Astonishingly important Alex Kotlowitz The Atlantic Through the stories of five American families a masterful and timely exploration of how hope history and racial denial collide in the suburbs and their schools Outside Atlanta a middle class Black family faces off with a school system seemingly bent on punishing their teenage son North of Dallas a conservative white family relocates to an affluent suburban enclave but can't escape the changes sweeping the country On Chicago's North Shore a multiracial mom joins an ultraprogressive challenge to the town's liberal status quo In Compton California whose suburban roots are now barely recognizable undocumented Hispanic parents place their gifted son's future in the hands of educators at a remarkable elementary school And outside Pittsburgh a Black mother moves to the same street where author Benjamin Herold grew up then confronts the destructive legacy left behind by white families like his Disillusioned braids these human stories together

with penetrating local and national history to reveal a vicious cycle undermining the dreams upon which American suburbia was built For generations upwardly mobile white families have extracted opportunity from the nation s heavily subsidized suburbs then moved on before the bills for maintenance and repair came due leaving the mostly Black and Brown families who followed to clean up the ensuing mess But now sweeping demographic shifts and the dawning realization that endless expansion is no longer feasible are disrupting this pattern forcing everyday families to confront a truth their communities were designed to avoid The suburban lifestyle dream is a Ponzi scheme whose unraveling threatens us all How do we come to terms with this troubled history How do we build a future in which all children can thrive Drawing upon his decorated career as an education journalist Herold explores these pressing debates with expertise and perspective Then alongside Bethany Smith the mother from his old neighborhood who contributes a powerful epilogue to the book he offers a hopeful path toward renewal The result is nothing short of a journalistic masterpiece
