Sky Flyers Richard Mousseau, 2016-12-05 Soaring freely on wings of silky canvas fabric a colourful kite is barely seen against a clear blue sky Higher than any of the other kites twenty assorted kites jostled for manoeuvrability Higher above them floated a sky flyer its fabric skin taunt against a warm updraft and wind Stressed to the breaking point the tethered line held fast to the kite's structural frame Lazy dog day afternoons are meant for relaxing and will be recalled in declining years of age The Sky Flyer waved its long tail of spinning fan blades Competing kids unreeling in line in hopes of matching the sky flyer's height Eyes fixated on the height of the sky flyer Kids cheered and town's folk paused all awed with delight Some wished that their childhood could have been as adventurous and playful This September of Nineteen Ten Is a momentous day Quote Boy kids had fun back in the olden days Modern kids are missing out on life At sixty I want to go fly a kite

adrienne maree brown author of *Pleasure Activism and Emergent Strategy* In June 1977 a group of white anti racist activists received an alarming letter from an inmate at a New York state prison calling for help to fight the Ku Klux Klan's efforts to recruit prison staff and influence the people incarcerated Their response was to form the first chapter of what would eventually become a powerful nationwide grassroots network the John Brown Anti Klan Committee dedicated to countering the rise of the KKK and other far right white nationalist groups **No Fascist USA** tells the story of that network whose efforts throughout the 1980s which included exposing white supremacists in public office confronting neo Nazis in street protests supporting movements for self determination and engagement with the underground punk scene laid the groundwork for many anti racist efforts to emerge since Featuring original research interviews with former members and a trove of graphic materials their story offers battle tested lessons for those on the frontlines of social justice work today Praise for **No Fascist USA** Hilary Moore and James Tracy have written a magnificent book that not only corrects the record but helps explain the mercurial rise of white supremacist organizations in the 1970s how the Klan was temporarily defeated and why this period has been largely ignored **No Fascist USA** radically shifts our perspective challenging the prevailing wisdom that racist terrorism rises in response to economic downturns white downward mobility or

in a vacuum created by progressive alternatives I love this book Robin D G Kelley from the foreword No Fascist USA is not only timely but also essential in the present period of accelerated white supremacist activity and anti racist organizing to combat it In telling the story of the John Brown Anti Klan Committee the authors without romanticizing or condemning draw important lessons from the fifteen year history of the group Roxanne Dunbar Ortiz author of Loaded A Disarming History of the Second Amendment With its savvy blend of youth culture and street confrontation the John Brown Anti Klan Committee tried to stop Trumpism before Trump They confronted the rise of white nationalism in prisons workplaces and music scenes when precious few paid attention to it Hilary Moore and James Tracy have gifted us with an urgent read Dan Berger author of Captive Nation Black Prison Organizing in the Civil Rights Era James Tracy and Hilary Moore deliver a searing bold new work that examines another painful and complicated chapter in American race relations In an eye opening account They are able to connect the dots of the John Brown Anti Klan Committee a band of contemporary predominantly white activists and its efforts to expose white supremacist organizations With a fresh eye and new research their book uncovers with stunning precision how these groups remain active and exposes some of their unlikely alliances Laurens Grant filmmaker The Black Panthers Vanguard of the Revolution and Freedom Riders We learned from history You can too Terry Bisson author of Fire on the Mountain and former member of the John Brown Anti Klan Committee This book is a must read for anyone wanting to understand the roots of what happened in Charlottesville and the burgeoning white nationalist membership lists in the U S today We cannot possibly take on the challenges we face without learning from the past This book is a necessary and long overdue contribution to inform the way forward Carla F Wallace co founder Showing Up for Racial Justice I ve waited thirty years for this book Our emergency hearts have always driven uprisings to stop white terrorism but it always takes more than black bloc tactics in the streets to stop fascists No Fascist USA firmly connects today s militant anti fascist street fighting movements with important living radical histories to disrupt the cycles that keep the spectre of fascism alive in the modern era The struggles faced by the John Brown Anti Klan Committee continue today in our difficult arc towards collective liberation scott crow author of Setting Sights Histories and Reflections on Community Armed Self Defense
