The Intelligent Voter's Guide Socialist Party (U.S.). National Campaign Committee, 1928,1928 **Voting Assistance Guide** ,2000 *The Voter's Guide to Environmental Politics Before, During, and After the Election* Garrett De Bell,1970
Voter's Guide to the 1952 Elections Public Affairs Research Council of Louisiana, inc,1951 *Voting Assistance Guide*, 1998-99 ,1998 Souled Out E. J. Dionne Jr.,2009-10-12 The religious and political winds are changing Tens of millions of religious Americans are reclaiming faith from those who would abuse it for narrow partisan and ideological purposes And more and more secular Americans are discovering common ground with believers on the great issues of social justice peace and the environment In *Souled Out* award winning journalist and commentator E J Dionne explains why the era of the Religious Right and the crude exploitation of faith for political advantage is over Based on years of research and writing *Souled Out* shows that the end of the Religious Right doesn't signal the decline of evangelical Christianity but rather its disentanglement from a political machine that sold it out to a narrow electoral agenda of such causes as opposition to gay marriage and abortion With insightful portraits of leading contemporary religious figures from Rick Warren and Richard Cizik to John Paul II and Benedict XVI Dionne shows that our great religions have always preached a broad message of hope for more just human arrangements and refused to be mere props for the powers that be Dionne also argues that the new atheist writers should be seen as a gift to believers a demand that they live up to their proclaimed values and embrace scientific and philosophical inquiry in a spirit of intellectual solidarity Written in the tradition of Reinhold and H Richard Niebuhr *Souled Out* will help change how we think and talk about religion and politics in the post Bush era **Texas Almanac and State Industrial Guide** ,1857 **Enough Is Enough** Rick Scarborough,2008 It's no secret that Christians have had a major impact on the last two presidential elections and Dr Rick Scarborough believes that now is not the time to retreat Now more than ever it is critical that all Bible believing Americans step up and let our voices be heard Scarborough challenges Christians to become involved in political action by revealing the issues that have caused the demise of America's Judeo Christian foundation and outlining several key steps readers can take right where they live if they agree that it's time to get involved Discover America's rich Christian foundations and the journey to the current political landscape *Enough Is Enough* will motivate every person who reads it to influence our country's policies and culture with biblical values
