The Four Scott Galloway,2017-10-03 NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Amazon Apple Facebook and Google are the four most influential companies on the planet Just about everyone thinks they know how they got there Just about everyone is wrong For all that's been written about the Four over the last two decades no one has captured their power and staggering success as insightfully as Scott Galloway Instead of buying the myths these companies broadcast Galloway asks fundamental questions How did the Four infiltrate our lives so completely that they're almost impossible to avoid or boycott Why does the stock market forgive them for sins that would

destroy other firms And as they race to become the world's first trillion dollar company can anyone challenge them In the same irreverent style that has made him one of the world's most celebrated business professors Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves at a speed and scope others can't match And he reveals how you can apply the lessons of their ascent to your own business or career Whether you want to compete with them do business with them or simply live in the world they dominate you need to understand the Four
