American Government Scott F. Abernathy, 2018-11-14 In the Second Edition of American Government Essentials Edition author Scott F Abernathy tunes in to the voices of all Americans showing how our diverse ideas shape the way we participate and behave the laws we live by and the challenges we face From the Constitutional Convention to Ferguson Missouri each chapter features rich personal narratives that illustrate how the American political system is the product of strategies calculations and miscalculations of countless individuals It focuses on real people the actions they take the struggles they face and how their choices influence outcomes The key concepts are memorable because they are tied to real politics where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas Participation is at the heart of this groundbreaking new text with ample background on how and why to participate Not only will all students see themselves reflected in the pages but they will come to understand that they too are strategic players in American politics with voices that matter American Government Essentials Edition is identical to the full version of the text minus the three policy chapters Also available as a digital option courseware Contact your rep to learn more about American Government Second Essentials Edition Vantage Digital Option

The American Legal Profession Christopher P. Banks, 2017-06-21 While emphasizing that lawyers fulfill a vital but often misunderstood public function in society The American Legal Profession The Myths and Realities of Practicing Law by Christopher P Banks dispels some of the common misconceptions about the legal profession to show that the reality of being a lawyer is much different from what many students believe it to be Many students know little about what law school is like or how it differs from undergraduate study and this book corrects common myths about graduating law school and life after passing the bar This brief primer is a nuts and bolts analysis of what it is really like to go into the legal profession from start to finish giving students considering a career in law a realistic overview of their potential legal careers

Shop Window, Flagship, Common Ground Judith A. Muskett, 2019-11-30 How are cathedrals and churches understood Are they shop windows through which to gaze at the riches on offer within the Christian life Are they flagships of the Spirit Are they both sacred spaces and community utilities Shop window flagship common ground views the rich ministry and innovative mission of cathedrals through the novel lens of metaphor and it offers comparative insights on cathedrals and cathedral like churches Located in the emerging international field of cathedral studies the book explores the usage and inferences of a

range of metaphors including shop windows of the Church of England flagships of the Spirit beacons of the Christian faith magnets and sacred space common ground This volume also shows how such metaphors can stimulate different types of research about the function of cathedral and church buildings With a Foreword by Professor Grace Davie the book suggests that cathedrals and cathedral like churches may play a role within vicarious religion theory It will provide a thought provoking critique for practitioners and a valuable contribution for scholars of cathedral studies congregational studies and ecclesiology
