**Unique Test ID: 433448726413031391 for Maryam Al
badr**

A **Primary Level Certificate** indicates that the person listed below has passed a Certification Test intended for undergraduate students and those who are advanced high school students. The person below has passed a test by correctly answering at least 9 out of 10 questions selected randomly from a large inventory. Each question provides source material from another author and a sample of student writing. The test taker must determine whether the student version is word-for-word plagiarism, paraphrasing plagiarism, or not plagiarism. Many questions exemplify subtle forms of plagiarism which represent incomplete or incorrect understanding of plagiarism, carelessness, or attempts to disguise actual plagiarism.

Please read the information below carefully. You can submit this confirmation certificate to your academic department or program area, or to your instructor, if required to do so.

Online Learning And Teaching In Higher Education Bach, Shirley,Haynes, Philip,Lewis Smith, Jennifer,2006-11-01 Online learning and teaching e learning is a rapidly developing area in modern universities This book examines the relevant theory and drawing on the authors experience offers teachers in higher education realistic options for developing this area of their teaching practice **The College Classroom Assessment Compendium** Jay Parkes,Dawn Zimmaro,2017-12-06 The College Classroom Assessment Compendium provides new and seasoned instructors with comprehensive strategies perspectives and solutions for the daily challenges and issues involved in student assessment Composed of cross referenced research based entries organized for effective and immediate access this book provides systematic explanations of assessment policies and practices including guidelines for classroom implementation Situated beyond the techniques covered in most instructor training and preparation these practical entries draw from a variety of disciplines and offer an invaluable reference for college instructors interested in developing coherent reliable classroom assessment climates Measuring Writing: Recent Insights into Theory, Methodology and Practice Elke van Steendam,Marion Tillema,Gert Rijlaarsdam,Huub van den Bergh,2012-11-20 This volume provides a state of the art overview of theory methodology and practices in the assessment of writing The focus throughout the book is on the construct of writing and its assessment what constitutes writing ability and how can it be defined in various contexts This question cannot be answered without looking into the methodological question of how to validate and measure the construct of writing ability Throughout the book therefore discussions integrate theoretical and methodological issues A number of chapters discusses whether varying definitions and varying operationalizations of writing ability are needed in various contexts such as formative assessments versus summative assessments large scale assessments versus individual assessments different tasks different genres and different languages but also different age groups A range of rating methods is investigated and discussed in this book The ongoing debate on holistic versus analytic ratings and the different underlying conceptions of writing proficiency is a pertinent matter on which a number of chapters in this volume shed new light The matter is discussed and analyzed from various angles such as

generalizability of judgements and usability in formative contexts Another fundamental debate concerns computer scoring of written products A nuanced discussion of its validity is presented in this volume *In Pursuit of Knowledge* Deborah Rhode,2006-09-25 Although academics have never lacked for critics publications on the profession tend to be either popularized polemics which are engaging but misleading or scholarly analyses which are intellectually responsible but of little interest to anyone but specialists *In Pursuit of Knowledge* offers an alternative a unique portrait of academic life that should appeal to both experts and a general audience Drawing on a wide range of disciplines including higher education history law sociology economics and literature the book focuses on the ways in which the pursuit of status has undermined the pursuit of knowledge Deborah Rhode argues that both individual scholars and institutions in higher education are caught in an arms race of reputation The result has been to skew priorities in scholarship erode commitments to teaching compromise efforts of public intellectuals and impede effectiveness in administration The book offers several solutions to counter these pervasive problems in our research institutions Rhode makes a case for increasing accountability and realigning reward systems She argues that what is needed is a greater sense of responsibility among universities and their faculties to narrow the gap between academic ideals and practices *In Pursuit of Knowledge* is meticulously researched and elegantly written It is also exceptionally entertaining in its use of quotations culled from over a hundred academic novels including works by Kingsley Amis Saul Bellow David Lodge and C P Snow For example from P G Wodehouse s *The Girl in Blue* The Agee woman told us for three quarters of an hour how she came to write her beastly book when a simple apology was all that was required The result is a highly readable but also deeply reflective analysis of the academic profession

The New York Times Index ,2000 **The Wall Street Journal** ,1992 **Resources in Education** ,1991 Journal of Hospitality & Tourism Education ,2000 **Antedating Shakespeare's Poems and Plays** Penny McCarthy,2024-09-05 The academic community treats the chronology of Shakespeare s works as settled He supposedly served an apprenticeship collaborating on plays in the 1580s wrote two great poems in the early 90s three plays a year from the mid 90s some problem plays around the turn of the century then his greatest tragedies and finally some romances late in his career This investigation highlights the flaws in the consensus view over reliance on precarious stylometrics dubious identification of topical relevance and unfounded conviction that composition preceded publication performance or first mention by only a short interval Concentrating on his poems and six of his plays the study ascribes parallels in others literary works to their authors imitation or parodying of Shakespeare not vice versa The importance of patronage circles rather than London theatre companies to writers players and printers is spelled out The conclusion is that Shakespeare s works must be radically antedated *Encyclopedia of American Education* Harlow G.
