Until The Night:

Until the Night Giles Blunt, 2012-08-07 It's not unusual for John Cardinal to be hauled out of a warm bed on a cold night in Algonquin Bay to investigate a murder. And at first this dead body sprawled in the parking lot of Motel 17 looks pretty run of the mill: the corpse has a big bootprint on his neck and the likely suspect is his lover's outraged husband. But the lover has gone missing. And then Delorme, following a hunch, locates another missing woman, a senator's wife from Ottawa, frozen in the ruins of an abandoned hotel way back in the woods. Spookily, she was chained up and abandoned wearing a new winter parka and boots with a thermos beside her as if her murderer was giving her a whisper of a chance at survival. Neither Delorme nor Cardinal can imagine where their investigation will lead into a decades-old injustice committed in the high Arctic into the swingers' world inhabited by an ex-rock star who owns a pub in Algonquin Bay as well as private members' clubs in Toronto and Ottawa into the insecurity that afflicts Delorme, the woman, and the cop, and into the deep bond between Delorme and Cardinal which is at real risk of coming undone. In *Until the Night*, Giles Blunt outdoes himself creating a masterpiece of crime fiction that will not only haunt his fans and readers but delight and amaze them too. **Until the Night Shatters**

Heather Akena, 2010-10-25 What are you waiting for? I said, kill her, he screamed as loud as he could. It sounded like a knife in Amelia's ears and she tried to look over at him but he was already gone. Gone to take everything else from her. He had been right; she should have killed him while he wasn't a threat, but it was that very fact that made her unable to kill him in the first place. SS Oberschütze Markus Lubrich warned me this would happen. He said I didn't know when to quit, but the truth is I just don't know how I've been living a lie for years, a traitor in the midst of a thousand nationalists. But until the iron hand that controls our destiny is no longer a threat, I can never stop searching for a way to make sure we survive. But when it's over and the Reich has fallen, we will finally be able to live without fear of what is lurking in the shadows. Victorious over our enemies. Over our past. Over our future. Forever.
