Up Cutshin and Down Greasy Leonard W. Roberts, 1997-01-01 Along the isolated headwaters of the Kentucky River Cutshin and Greasy Paper creeks folklorist Leonard Roberts found the Couches a remarkable mountain family of gifted memory and imagination For half a century they had preserved the traditional ways of their forebears the primitive farming methods the household arts and the games ballads dances and tales that were their chief entertainment In *Up Cutshin and Down Greasy* brothers Dave and Jim Couch born about the turn of the century recall clearly their childhood days on Sang Branch of Greasy and Clover Fork of Big Leatherwood Dave a professional moonshiner and bootlegger in his younger days tells colorfully of his brushes with the law Jim engaged alternately in lumbering and coal mining with a little moonshining on the side His accounts of mine accidents in particular the one that cost him his leg give insight into the minds of those who risk their lives underground for the sake of high pay *Up Cutshin and Down Greasy* concludes with a selection of tales and songs from the large repertory of the Couch family First published in 1959 the book is available once again in paperback to pleasure a new generation of readers **Up Cutshin & Down Greasy** Leonard Roberts, 1959 *Up Cutshin and Down Greasy* Leonard W. The Adventures of Molly Whuppie Anne Shelby, Shelby Anne, 2014-03-26 Molly didn't know what to say after all that so she just didn't say anything which was probably the best course The old woman put the poem back in her pocket and in its place came up with a silver needle and a spool of gold thread which she handed to Molly Thank you Molly said but to tell the truth she was a little disappointed She was **Fairy Tales of Appalachia** Stacy Sivinski, 2025-09-02 While taking a graduate course in Appalachian literature at the University of Tennessee Stacy Sivinski was surprised to discover that much of the folklore she had heard while growing up in Schuyler Virginia was rarely represented in popular published collections In particular they lacked the strong female heroines she had come to know and most anthologies were full of Jack Tales stories that focus on the adventures of the character from Jack and the Beanstalk Feminist critics have long discussed the

gender inequalities and stereotypes that fairy tales often promote With *Fairy Tales of Appalachia* Sivinski asks whether such conclusions are inevitable and invites a fresh analysis of these regional tales with a contemporary sense of wonder These tales carefully and thoughtfully transcribed by Sivinski have been passed down through Appalachia's oral histories over decades and even centuries This wonderful selection was mainly drawn from the Archives of Appalachia at East Tennessee State University and special collections at Berea College Drawing on the work of other regional archivists and folklorists Sivinski grapples with issues of gender balance in Appalachian storytelling The problem Sivinski posits does not rest with the fairy tale genre itself but in the canonization process in which women's contributions have been diminished as oral traditions become transcribed Appalachian women have historically demonstrated resilience wit and adaptability and it is time that more collections of regional folklore reorient themselves to make this fact more apparent Stories are living breathing narratives meant not just to be read but to be read aloud This timely selection of unique stories along with beautiful evocative illustrations makes *Fairy Tales of Appalachia* an intriguing addition to the much contested fairy tale canon

Buying the Wind Richard M. Dorson, 1964 Selection of tales songs riddles proverbs and other items of folklore from seven regional cultures of the U S A **Coldhearted River** Kim Trevathan, 2006 Coldhearted River explores the river's past invoking the ghosts of the Shawnee and Cherokee Daniel Boone and the French fur trappers who arrived before him early settlers of Kentucky and Tennessee such as James Robertson and John Donelson and a binge drinking ex farmer named Ulysses Grant who won his first significant battle at Fort Donelson early in the Civil War Jacket Children's Folklore Brian Sutton-Smith, Jay Mechling, Thomas W. Johnson, Felicia McMahon, 2012-10-12 A groundbreaking collection of essays on a hitherto underexplored subject that challenges the existing stereotypical views of the trivial and innocent nature of children's culture this work reveals for the first time the artistic and complex interactions among children Based on research of scholars from such diverse fields as American studies anthropology education folklore psychology and sociology this volume represents a radical new attempt to redefine and reinterpret the expressive behaviors of children The book is divided into four major sections history methodology genres and setting with a concluding chapter on theory Each section is introduced by an overview by Brian Sutton Smith The accompanying bibliography lists historical references through the present representing works by scholars for over 100 years **Traditional Storytelling Today** Margaret Read MacDonald, 2013-12-16 Traditional Storytelling Today explores the diversity of contemporary storytelling traditions and provides a forum for in depth discussion of interesting facets of contemporary storytelling Never before has such a wealth of information about storytelling traditions been gathered together Storytelling is alive and well throughout the world as the approximately 100 articles by more than 90 authors make clear Most of the essays average 2 000 words and discuss a typical storytelling event give a brief sample text and provide theory from the folklorist A comprehensive index is provided Bibliographies afford the reader easy access to additional resources **The Stars of Ballymenone, New Edition** Henry

Glassie,2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people For a decade he heard and recorded the stories and songs in which they outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and uncertainty demanding the virtues of endurance faith bravery and wit Glassie s task in this book is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life *Signs, Cures, and Witchery* Gerald C. Milnes,2024-01-12

Signs Cures Witchery provides a fascinating glimpse of some little known Appalachian beliefs and practices among descendants of early German pioneers Signs Cures and Witchery opens a window into our ancient past revealing the courage and resourcefulness of people whose survival depended on their ability to read signs cure their own ills and find explanations for life s mysteries Local community practices in West Virginia such as witch doctoring belsnickling shanghai and folk healing are connected to their medieval counterparts in woodcuts and other works of art In tracing immigration to remote mountain communities we learn how expressions of folk art and folk belief survive This work specifically examines aspects of Appalachian oral tradition and folklore that draw from German culture Informative and entertaining Signs Cures and Witchery is an invaluable aid to all who have an interest in religion psychology folklore metaphysical regional gender and ethnic studies *My Curious and Jocular Heroes* Loyal Jones,2017-08-25 We were going down the road and we came to this house There was a little boy standing by the road just crying and crying We stopped and we heard the biggest racket you ever heard up in the house What s the matter son Why Maw and Paw are up there fightin Who is your Paw son Well that s what they are fightin over Brimming with ballads stories riddles tall tales and great good humor My Curious and Jocular Heroes pays homage to four people who guided and inspired Loyal Jones s own study of Appalachian culture His sharp eyed portraits introduce a new generation to Bascom Lunsford the pioneer behind the memory collections of song and story at Columbia University and the Library of Congress the Sorbonne educated collector and performer Josiah H Combs Cratis D Williams the legendary father of Appalachian studies and the folklorist and master storyteller Leonard W Roberts Throughout Jones highlights the tales songs jokes and other collected nuggets that define the
