**The Secret History of the Five Eyes** Richard Kerbaj,2025-01-07 This is the definitive account of the Western world s most powerful but least known intelligence alliance which remains central to the defense of the free world in a dangerously uncertain time The Five Eyes a spy network between the intelligence agencies

of the US UK Canada Australia and New Zealand has been steeped in secrecy since its official formation in 1956 Yet the Five Eyes very existence is not legally binding it functions as a marriage of convenience riddled with distrust competing intelligence agendas and a massive imbalance of power that favors the US Richard Kerbaj draws on interviews with intelligence officials world leaders and recently declassified archives to reveal the authoritative but unauthorized stories of the alliance In bypassing the usual censorship channels he tells this extraordinary account of the Five Eyes unlikely cast of characters who played a crucial role in its history and exposes the network s hidden role in influencing global events that continue to shape our daily lives      Rocket States: Atomic Weaponry and the Cultural Imagination Fabienne

Collignon,2014-07-31 Rocket States crosses the disciplines of Cold War Studies American Literature American Studies and Cultural Studies The particular attraction of this study lies in the combination of its range close textual and visual analysis of the correlations between land and weaponry set firmly within its political and cultural contexts with its unique analytical approach The book offers a synthesis between history theories of technology theories of space popular culture literary study and military science It illuminates a variety of literary texts from key writers and thinkers such as Pynchon Stephen King Norman Mailer and Tom Wolfe while also invoking figures like Nikola Tesla James Webb Batman and Ronald Reagan Organised topographically according to how missile technology manifests itself differently in particular locations Rocket States s geographical targets are Colorado Kansas Cape Canaveral and New York variously titled Excavation Preservation Evacuation and Transmission It advances through these states roughly chronologically beginning in the late 1940s and early 1950s and coming to an end in the first part of the 21st century Collignon s argument is concerned with identifying the recurring figures and fantasies of the Cold War the dome or parabola as sheltering techno form the fictions of total security adapting to constantly changing targeting strategies gadget love closed freezing worlds As such Rocket States analyses by what processes the Cold War is frequently literalised in its weapons installations and how these facilities in turn shape dreams of containment survival escape and techno supremacy      I was a Cold War Monster Cynthia Hendershot,2001

Horror films provide a guide to many of the sociological fears of the Cold War era In an age when warning audiences of impending death was the order of the day for popular nonfiction horror films provided an area where this fear could be lived out to its ghastly conclusion Because enemies and potential situations of fear lurked everywhere within the home the government the family and the very self horror films could speak to the invasive fears of the cold war era I Was a Cold War Monster examines cold war anxieties as they were reflected in British and American films from the fifties through the early sixties This study examines how cold war horror films combined anxiety over social change with the erotic in such films as Psycho The Tinger The Horror of Dracula and House of Wax      American Foreign Policy Since WWII 19th Edition Steven W. Hook,John Spanier,2013 Allowing students to truly grasp the functions and frequent dysfunctions of America s foreign policy agenda this book has long set the standard in guiding students through the complexities of the field      **The Cold War**
