NEW TO OTR Chris Aragon,2014-03-14 Chris Aragon provides a direct somewhat cynical and slightly gruff look at the everyday tasks and responsibilities of being an Over The Road Truck Driver as an employee of a very large trucking company Hollywood has always painted the public picture of what yesterday s trucker looked like but Chris s hard toned look at the modern and highly regulated Commercial Drivers License paints a much different picture With Road Safety at the center Chris attempts to explain some of the complexity that is today s Trucking Industry for the Non Owner Operator of the 18 Wheeler Culture From the starting point of obtaining a Class A Commercial Driver s License to the day to day dealings with company management to the suggestions for comfort while out on a national tour Chris lays his no nonsense approach out in a raw sense without the hidden meanings tucked in the folds In Chris s previous full career as a Corrections Officer Sergeant in a maximum security setting he developed a Funny Frowned Face as opposed to a poker face in communicating his thoughts Chris often jokes about his Grumpy Personality with many of his friends and family and he hopes that the raw and pungent outlay doesn t protrude itself as overly provocative to any reader **Trucking Safety** United States.
