 Free and Compulsory Education Act 2009 guarantees education to all children aged 6 14 years The Act mandates specific
 student teacher ratios and emphasizes teacher quality Writing this into legislation took seven years but the seven years since
 has proven that ensuring effective teachers are recruited and placed in all schools in a time bound manner is considerably
 more challenging This report takes a detailed look at the complexity of the teacher management landscape in elementary and
 secondary schools in nine Indian states On a daily basis the administrative machinery of these states has to manage between

19 000 to nearly a million teachers in different types of schools and employment contracts and cope with recruiting thousands more and distributing them equitably across schools This report examines the following issues official requirements for becoming a schoolteacher in India policies and processes for teacher recruitment deployment and transfers salaries and benefits of teachers professional growth of teachers and grievance redressal mechanisms for teachers For the first time in India this report compares and contrasts stated policy with actual practice in teacher management in the country using a combination of primary and secondary data In so doing the report reveals the hidden challenges and the nature of problems faced by administrators in attempting to build an effective teacher workforce which serves the needs of all of India s 200 million school children The report examines states with varying characteristics thus generating knowledge and evidence likely to be of interest to policy makers and practitioners in a wide range of contexts
