## **Texas Log Buildings A Folk Architecture Terry G Jordan:**

**Texas Log Buildings** Terry G. Jordan, 2010-07-05 Once too numerous to attract attention the log buildings of Texas now stand out for their rustic beauty This book preserves a record of the log houses stores inns churches schools jails and barns that have already become all too few in the Texas countryside Terry Jordan explores the use of log buildings among several different Texas cultural groups and traces their construction techniques from their European and eastern American origins

Texas Log Buildings, 1978      *Vernacular Buildings* Allen Noble, 2013-11-27 Constancy permits the evolution of types and characteristics to be identified even in widely spread locations It helps trace the origins of structures despite later modifications And change allows one to trace the effects of difference in environment fashion cultural ideas and economic influences Change and constancy operate together although one may or other may dominate at a particular time and place In *Vernacular Buildings* Allen Noble extends the global survey contained in his earlier highly successful *Traditional Buildings* to cover vernacular buildings and dwellings around the world In a truly comprehensive account he ranges from the fazenda of the pioneer Brazilian settlers the Masai dwellings of Tanzania and the gothic houses of Shanghai to Virginia Hall and Parlor houses the thatched dwellings of the Eifel region of Germany and the three decker houses of New York Acknowledging the value of archival research the author is also firmly convinced of the importance of field observation and the book is extensively illustrated with photographs from his own personal collection With a comprehensive bibliography and incorporating new material from cultural geographers historians folklorists and anthropologists *Vernacular Buildings* is a unique survey that will be welcomed by specialists and enthusiasts alike      *Vernacular architecture in the Codroy Valley* Richard MacKinnon, 2002-01-01 This book relates the story of a small Newfoundland community as told through its buildings From the addition of a kitchen to the construction of a new house the way people build and change their homes says a great deal about their histories and daily lives and the author's insights on the stories told in the architecture of the Codroy Valley are sure to encourage readers to look at their own communities in a new way Published in English      **Plain Folk of the**

**South Revisited** Samuel C. Hyde, Jr., 1997-10-01      Roots of a Region John A. Burrison, 2007 *Roots of a Region* reveals the importance of folk traditions in shaping and expressing the American South This overview covers the entire region and all forms of expression oral musical customary and material The author establishes how folklore pervades and reflects the region's economics history especially the Civil War race relations religion and politics He follows with a catalog of those folk cultural traits from food and crafts to music and story that are distinctly southern The book then explores the Native American and Old World sources of southern folk culture Two case studies serve as examples to students and as evidence of the author's larger points The first traces the origins and development of an artifact type the clay jug the second examines a place Georgia and the relationship of its folklore to the region as a whole The author concludes by looking to the future of folklife in a region that has lost much of its agrarian base as it modernizes a future dependent on recent immigration and

appreciation of older southern traditions by a largely urban audience Supporting these explorations are 115 illustrations sixteen in color and an extensive bibliography of books on southern folk culture John A Burrison is Regents Professor of English and director of the folklore curriculum at Georgia State University He also serves as curator of the Goizueta Folklife Gallery at the Atlanta History Museum and of the Folk Pottery Museum of Northeast Georgia at Sautee Nacoochee Center His previous books are *Brothers in Clay The Story of Georgia Folk Pottery* *Storytellers Folktales and Legends from the South* and *Shaping Traditions Folk Arts in a Changing South* *The Material Culture of German Texans* Kenneth Hafertepe, 2016-06-21 Winner 2019 San Antonio Conservation Society Foundation Book Award sponsored by the San Antonio Conservation Society Foundation German immigrants of the nineteenth century left a distinctive mark on the lifestyles and vernacular architecture of Texas In this first comprehensive survey of the art and artifacts of German Texans Kenneth Hafertepe explores how their material culture was influenced by their European roots how it was adapted to everyday life in Texas and how it changed over time at different rates in different communities *The Material Culture of German Texans* is about the struggle to become American while maintaining a distinctive cultural identity drawn from German heritage Including materials from rural small town and urban settings this masterful study covers pioneer generations in East Texas and the Hill Country but also follows the story into the Victorian era and the early twentieth century Houses and their furnishings churches and cemeteries breweries and businesses and paintings and engravings fill the pages of this thorough informative and richly illustrated volume Recent decades have seen a sharp increase of the study of vernacular architecture which can range from traditional building to ethnic expressions to landscape ensembles and an intensified study of American furniture and other decorative arts Incorporating these vernacular and decorative arts methods and building on the works of cultural geographers curators and historians *The Material Culture of German Texans* offers a definitive contribution that will inform visitors to the region as well as those who study its history and culture **German Seed in Texas Soil** Terry G. Jordan, Terry G. Jordan-Bychkov, 1966 Terry Jordan explores how German immigrants in the nineteenth century influenced and were influenced by the agricultural life in the areas of Texas where they settled His findings both support the notion of ethnic distinctiveness and reveal the extent to which German Texans adopted the farming techniques of their Southern Anglo neighbors **Appalachian Folkways** John B. Rehder, 2004-07-12 Winner of the Kniffen Award and an Honorable Mention from the Professional and Scholarly Publishing Awards in Sociology and Anthropology Appalachia may be the most mythologized and misunderstood place in America its way of life and inhabitants both caricatured and celebrated in the mainstream media Over generations though the families living in the mountainous region stretching from West Virginia to northeastern Alabama have forged one of the country's richest and most distinctive cultures encompassing music food architecture customs and language In *Appalachian Folkways* geographer John Rehder offers an engaging and enlightening account of southern Appalachia and its cultural milieu that is at once sweeping and intimate From architecture and

traditional livelihoods to beliefs and art Rehder who has spent thirty years studying the region offers a nuanced depiction of southern Appalachia's social and cultural identity The book opens with an expert consideration of the southern Appalachian landscape defined by mountains rocky soil thick forests and plentiful streams While these features have shaped the inhabitants of the region Rehder notes Appalachians have also shaped their environment and he goes on to explore the human influence on the landscape From physical geography the book moves to settlement patterns describing the Indian tribes that flourished before European settlement and the successive waves of migration that brought Melungeon Scotch Irish English and German settlers to the region along with the cultural contributions each made to what became a distinct Appalachian culture Next focusing on the folk culture of Appalachia Rehder details such cultural expressions as architecture and landscape design traditional and more recent ways of making a living both legal and illegal foodstuffs and cooking techniques folk remedies and belief systems music art and the folk festivals that today attract visitors from around the world and the region's dialect With its broad scope and deep research Appalachian Folkways accurately and evocatively chronicles a way of life that is fast disappearing

**Traditional Buildings** Allen Noble, 2009-09-18 Based on a lifelong professional and personal interest Traditional Buildings presents a unique survey of vernacular architecture across the globe The reader is taken on a fascinating tour of traditional building around the world which includes the loess cave homes of central China the stilt houses on the shores of Dahomey the housebarns of Europe and North America the wind towers of Iran the Bohio houses of the Arawak Indians of the Caribbean and much more Professor's Noble's extensive travels have allowed him to examine many of the building at close quarters and the richly illustrated text includes photographs from his personal collection With its comprehensive and detailed bibliography the work will be welcomed by experts and non specialists alike

**American Studies** Jack Salzman, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of American Studies An Annotated Bibliography of Works on the Civilization of the United States published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00

**Log Cabin Studies** Mary Wilson, 1984

**A Field Guide to the Vernacular Buildings of the San Antonio Area** Brent Fortenberry, 2021-08-16 The rich multicultural heritage of San Antonio and the Texas Hill Country provide the backdrop for this first comprehensive guide to the culturally significant vernacular buildings of this diverse and historic region structures designed and constructed by the people who used them rather than by professional architects or builders A valuable easy to use resource for heritage travelers historic

preservationists and local historians A Field Guide to the Vernacular Buildings of the San Antonio Area pairs incisive interpretive essays with detailed building descriptions photographs and architectural renderings Featuring contributions from noted architectural historians and preservationists including Ken Hafertepe Lewis Fisher Maria Pfeiffer and Sarah Z Gould this handy generously illustrated guide will not only provide context and insight for understanding the importance of these buildings but will also engage readers with the challenges of preserving our cultural heritage as represented in the built environment Professional and avocational preservationists along with interested travelers and general readers will appreciate the thorough discussion and analysis of such well known sites as the San Antonio Riverwalk the San Antonio missions and the public buildings of the historic Westside district Reaching beyond the immediate vicinity of San Antonio the book also offers expert commentary on the German settlements in Central Texas and east of San Antonio providing an inclusive and inviting survey of how settlers of various origins placed their unique imprints on Texas **CRM Bulletin**

United States. National Park Service. Cultural Resources Management Division,1988 *The New Encyclopedia of Southern Culture* Richard Pillsbury,Charles Reagan Wilson,2014-02-01 The location of the South is hardly a settled or static geographic concept Culturally speaking are Florida and Arkansas really part of the same region Is Texas considered part of the South or the West This volume of The New Encyclopedia of Southern Culture grapples with the contestable issue of where the cultural South is located both on maps and in the minds of Americans Richard Pillsbury s introductory essay explores the evolution of geographic patterns of life within the region agricultural practices urban patterns residential buildings religious preferences foodways and language The entries that follow address general topics of cultural geographic interest such as Appalachia exiles and expatriates Latino and Jewish populations migration patterns and the profound Disneyfication of central Florida Entries with a more concentrated focus examine major cities such as Atlanta New Orleans and Memphis the influence of black and white southern migrants on northern cities and individual subregions such as the Piedmont Piney Woods Tidewater and Delta Putting together the disparate pieces that make up the place called the South this volume sets the scene for the discussions in all the other volumes of The New Encyclopedia of Southern Culture *An Arkansas Folklore Sourcebook* W.K. McNeil,William M. Clements,1992-05-01 Arkansas s rich folk tradition is shown by the variety of its manifestations a 250 year old ballad an archaic method of hewing railroad crossties with a broadax the use of poultices and toddies to treat the common cold and swamps of evil repute are all parts of the tradition that constitutes Arkansas folklore In fact as the essays selected by W K McNeil and William M Clements show these few examples only begin to tell the story Starting with a working description of folklore as cultural material that is traditional and unofficial and characterized by a pattern of oral transmission variation formulaic structures and usually uncertain origin the authors survey in detail a wide array of folk objects activities beliefs and customs Among the rich offerings in this sourcebook are a discussion of the history of folklore research in Arkansas an examination of some of the traditional songs and music still

being preformed a thoughtful exploration of the serious side of tall tales and windies an investigation of folk architecture in Arkansas and what it reveals about our cultural origins a study of many traditional foods and there preparation methods an analysis of superstitions and beliefs and a description of festivals and celebrations that are observed to this day Complemented by biographies of reference works and audio and video recordings of the state s folk materials An Arkansas Folklore Sourcebook is the first complete guide to the study of one state s unofficial culture *Material Culture* Kenneth L. Ames,1985 Norsemen Deep in the Heart of Texas Gunnar Nerheim,2024-06-18 As historian Gunnar Nerheim states in his introduction Norway is a foreign country to Texans and Texas is a foreign country to Norwegians Neither in Norway nor Texas has there been any awareness that so many Norwegians settled in antebellum Texas Norsemen Deep in the Heart of Texas brings Norwegian settlement in Texas to light and in doing so offers the first ever comprehensive history of Norwegians in Texas Fluent in both English and Norwegian Nerheim has done what no other historian has done by combining primary and secondary sources from both languages and both countries A well established European scholar Nerheim examines these never before referenced sources telling the story of Norwegian immigration to Texas explaining the contexts of Norwegian immigration to Texas in the nineteenth and early twentieth centuries and uncovering its significance to the histories of both countries The larger historical context reveals that immigration to Texas operated as part of dynamic circumstances on both sides of the Atlantic including slavery and the Civil War Drawn from the perspectives of both regions the history of Norwegian settlement in Texas provide new insights into European immigration Readers interested in Texas Norwegian and trans Atlantic history as well as nineteenth century immigration will find new horizons in Norsemen Deep in the Heart of Texas *Dallas/Fort Worth International Airport, Runway 16/34 East and Runway 16/34 West* ,1992 **The German Texas Frontier in 1853** Daniel J. Gelo,Christopher J. Wickham,2024-03-15 Ferdinand Lindheimer was already renowned as the father of Texas botany when in late 1852 he became the founding editor of the Neu Braunfelser Zeitung a German language weekly newspaper for the German settler community on the Central Texas frontier His first year of publication was a pivotal time for the settlers and the American Indians whose territories they occupied Based on an analysis of the paper s first year and drawing on methods from documentary and narrative history ethnohistory and literary analysis Daniel J Gelo and Christopher J Wickham deliver a new chronicle of the frontier in 1853 In keeping with Lindheimer s background as a naturalist the natural resources available are a constant subject for reporting One special concern is the availability and ownership of wood so essential for building lumber fencing and fuel Most dramatically the discovery of trace amounts of gold encouraged prospecting by German and Anglo settlers which later influenced decisions to remove Indians to reservations The activities of the area s Indian peoples emerge in weekly details not found in other sources Some Lipan Apaches are killed when the army does not learn of their peaceful intentions restitution is made at Fredericksburg A settler named Gadt is murdered and Tonkawas are suspected A horse raid southeast of San Antonio is blamed on the Lipans but

turns out to be the work of non Indians in disguise The Delawares are driven temporarily to Indian Territory Comanche men leave their families at Fort Chadbourne to embark on a raid against the Lipans The Penateka band of Comanches honors the peace agreement they signed with the Germans six years earlier but their days in the region are numbered Lindheimer enhances the reportage with lengthy features on related subjects and exerts a strong editorial voice as he seeks to influence the development of a distinctive Texas German identity His work explained in this new study will appeal not only to students of Texas history and ecology Indigenous populations immigration intercultural encounters and nineteenth century Americana but also to general readers who enjoy the rediscovery of hidden history

When somebody should go to the book stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we allow the ebook compilations in this website. It will extremely ease you to look guide **Texas Log Buildings A Folk Architecture Terry G Jordan** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. ### **Texas Log Buildings A Folk Architecture Terry G Jordan Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Texas Log Buildings A Folk Architecture Terry G Jordan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Texas Log Buildings A Folk Architecture Terry G Jordan has opened up a world of possibilities.

Downloading Texas Log Buildings A Folk Architecture Terry G Jordan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Texas Log Buildings A Folk Architecture Terry G Jordan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Texas Log Buildings A Folk Architecture Terry G Jordan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Texas Log Buildings A Folk Architecture Terry G Jordan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Texas Log Buildings A Folk Architecture Terry G Jordan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Texas Log Buildings A Folk Architecture Terry G Jordan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Texas Log Buildings A Folk Architecture Terry G Jordan Books**
