An aerial photograph of a circular city street grid, likely in Austin, Texas. The streets form a series of concentric circles and radial lines, creating a honeycomb-like pattern. In the center of the grid is a large, light-colored circular area containing a five-pointed star. The star is brown and has the letters 'S', 'A', 'E', and 'X' positioned near its points. The overall color palette is dominated by the tan and brown tones of the streets, with a blue tint at the top and bottom edges of the image.
