Copyright Office, 1963 The Persistence of the Soul in Literature, Art and Politics Delphine Louis-Dimitrov, Estelle Murail, 2023-12-28 This book analyses the evolution of literary and artistic representations of the soul exploring its development through different time periods The volume combines literary aesthetic ethical and political considerations of the soul in texts and works of art from the seventeenth to the twenty first centuries spanning cultures and schools of thought Drawing on philosophical religious and psychological theories of the soul it emphasizes the far reaching and enduring epistemological function of the concept in literature art and politics The authors argue that the concept of the soul has shaped the understanding of human life and persistently irrigated cultural productions They show how the concept of soul was explored and redefined by writers and artists remaining relevant even as it became removed from its ancient or Christian origins May God Have Mercy on Your Soul Jack Jenkins, 2011-09-27 Houston is a big city with a crime rate to match that of most big cities Violent crimes occur daily On this particular day Matt Wakefield a young HPD Robbery Investigator was dispatched to a robbery by firearms at a convenience store with added info of Shots Fired A two time ex con had attempted a carjacking Matt arrived after the victim was rushed to a hospital by a Houston Fire Department ambulance There he learned Alice Renfro was DOA and met her husband Jim Capital Murder charges would now take precedence over robbery charges A suspect identified by a witness was arrested blocks from the scene Jim was stunned at the loss of his beloved wife Matt tried to comfort the devastated man staying with him until the Coroners Office sent a Unit to transport her to the County Morgue He attended her funeral and kept Jim apprised of progress on the case The suspect was indicted tried found guilty of Capital Murder and sentenced to death Typically execution didnt occur for 15 years or more due to repeated appeals on the taxpayers dime and support from Anti Death Penalty groups The convicted murderer was placed on Death Row at the Polunsky Unit in East Texas to await death But Alice didnt get an extra 15 years Jim met grief stricken Celia Gomez at a Victims Support Group her husband had also been murdered by a hijacker Seeking justice they changed identities becoming employees of the Texas Department of Criminal Justice Institutional Division After almost 4 years they worked on Death Row on the night shift with the required jobs They were patient and smuggled pistols on to The Row one foggy night the time was right Their revenge would not be denied They escaped to Mexico but Matt was coming after them A Clashing of the Soul Leroy Davis, 1998 John Hope 1868 1936 the first African American president of Morehouse College and Atlanta University was one of the most distinguished in the pantheon of early twentieth century black educators Born of a mixed race union in Augusta Georgia shortly after the Civil War Hope had a lifelong commitment to black public and private

education adequate housing and health care job opportunities and civil rights that never wavered Hope became to black college education what Booker T Washington was to black industrial education Leroy Davis examines the conflict inherent in Hope's attempt to balance his joint roles as college president and national leader Along with his good friend W E B Du Bois Hope was at the forefront of the radical faction of black leaders in the early twentieth century but he found himself taking more moderate stances in order to obtain philanthropic funds for black higher education The story of Hope's life illuminates many complexities that vexed African American leaders in a free but segregated society

Healing the Soul after Religious Abuse Mikele Rauch, 2009-03-20 Recent scandals of clergy sexual abuse have brought attention to the victims and their responses to and recovery from their abuse But few have considered the effect of the abuse on a victim's soul and religious outlook and beliefs Healing the Soul after Religious Abuse offers a unique perspective of recovery and restoration of the soul after religious abuse The author argues that religious abuse often stops not only psychological growth but also inward development The effect is not simply emotional because the devastation reaches to the core of the spirit Often there is no place for a God of love or a love of what once was divine Through a series of personal interviews with persons from the five major religions Rauch considers various ways that religion can do harm The stories told in this book include the road to restoration in the wake of institutional abuse and how inner experience is sometimes confused with religious training the sacred task of spiritual leadership and how to restore trust when there has been a violation an exploration of sacrifice and a clarification of the notion of shame a look at the impact of religious bigotry in the areas of race sexuality and tolerance an overview of sexuality and the place it holds in both celibate and family life the pernicious issue of clergy sexual abuse and the signs of spiritual trauma in response to such violation a roadmap for restoration and a challenge to religious institutions and lastly ways to reclaim the sacred and rewire the spirit Through interviews research and personal stories the author tells a story of recovery of the most delicate kind offering pathways through the dark night of religious violation to a restoration of the soul and its immense possibilities

Life is a Road, the Soul is a Motorcycle Daniel Meyer, 2003-03-05 I was on a lonely stretch of road There were no lights other than the moon and stars and I had not encountered any traffic in at least 10 minutes Far ahead of me a figure stepped out of the brush and stood on the shoulder of the road The figure was still far out of my headlight range but was visible as a stunning and marvelous silhouette in the bright moonlight Capturing the essence of the riding experience through a series of adventures and a candid look into the author's mind this book explodes the myths and shows the reader something few books have before the complex motivations of an avid motorcycle rider

Chicken Soup for the Soul: Canadian Acts of Kindness Amy Newmark, 2018-10-30 That famous Canadian kindness is alive and well in these 101 stories of caring and compassion Canada is filled with people who care for and about each other They make miracles happen for their neighbours friends and complete strangers You'll find 101 heartwarming tales of Canadian kindness in these pages from the everyday to the extraordinary And you'll probably come away from this book with some new

publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

My Heart Is a Drunken Compass Domingo Martinez, 2014-11-18 With his trademark tragic comical voice and arresting storytelling Domingo Martinez once again delivers a deeply personal memoir full of wry asides and poignant thoughtful reflections in his new book *My Heart Is a Drunken Compass* His first book shockingly ended with his fiancé Stephanie plummeting off the side of an overpass in Seattle after having a seizure while driving He now chronicles this painful episode in his life with flashbacks to their tenuous romantic relationship and how her accident and subsequent coma ultimately causes him to unravel emotionally This pivotal moment which began with an alarming call in the middle of the night parallels another gut wrenching experience from the past when his youngest brother's life hangs in the balance Martinez once again brilliantly examines the complicated connections between family friends and loved ones Feeling estranged from his family in Texas over the years isolated and alone in Seattle he turns to writing as a therapeutic tool The underlying themes of addiction and recovery and their powerful impact on family dynamics also emerge within the narrative as he struggles with his inner demons These two traumatic life events actually bring Martinez closer to the family that he has in many ways spend years trying to deny strengthening their bonds and healing old wounds When Martinez falls apart completely he finds his family his redemption and a new beginning with the love of his life who encourages him to write his way out of the pain in order to save his own life

The Bible Belt Mystique C. Dwight Dorrough, 1974 This absorbing book traces the rise of the Bible Belt Mystique a type of revivalistic religion characterized by spirited singing hellfire preaching and a powerful appeal to emotion Such religion was a tremendous force in shaping the culture of the rural South where it found its fullest expression Today it continues to claim the commitment of many people and in all parts of the country Dr Dorrough discusses this type of religion in the late eighteenth and nineteenth centuries and examines its legacies in the twentieth century He takes the reader on a you are there visit to a Southern camp meeting complete with its religious exercises such as falling jerking rolling running dancing barking laughing singing having visions and trances He follows the trail of the circuit riders and farmer preachers who though often uneducated were usually the best informed men along the frontier especially on politics religion nature and farming The Bible Belt religion fostered a spirit of sectarianism a denominational rivalry resulting in a type of pious warfare that fostered intolerance Its main crusade was one against liberalism later expanded to become a crusade to root out sin the use of alcohol and tobacco dancing reading novels attending the theater and much more A strict moral code prevailed Dr Dorrough shows how this older strict religion helped to create in the South a stronghold for the concept of white supremacy and how it has endowed the people with a vigorous individualism He explains how the religion has contributed to a reverence for the past a resistance to change a love of the land a regional spirit and an emphasis upon family ties The influence of that old time religion is still being felt says the author in modern revival meetings of evangelists

such as Billy Graham and Oral Roberts in religious movements such as the Jesus Freaks and Campus Crusade for Christ and in periodic efforts by state legislatures certain denominations and some political leaders to control ideas and maintain religious conservatism in the schools and colleges Although Dr Dorrough documents this revealing study with skillfully selected quotes from literature he writes in a popular style and shows respect for individual beliefs Publisher
