Smith, 2000-05-01 A Choice Outstanding Academic Book By championing the ideals of independence evangelism and conservatism the Southern Baptist Convention SBC has grown into the largest Protestant denomination in the country The Convention's mass democratic form of church government its influential annual meetings and its sheer size have made it a barometer for Southern political and cultural shift Its most recent shift has been starboard toward fundamentalism and Republicanism While the Convention once offered a happy home to Harry Truman Jimmy Carter and church state separationists in the past two decades the SBC has become an uncomfortable institution for Democrats progressive theologians and other moderate voices Current SBC member heroes include Senators Trent Lott and Jesse Helms Despite this seeming marginalization Southern Baptist politicians have grown from political obscurity to occupying the four highest positions in the constitutional order of succession to the presidency President Bill Clinton Vice President Al Gore Senate President pro tempore Strom Thurmond and House Speaker Newt Gingrich are all Southern Baptists In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington

lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision The Rise of Baptist Republicanism traces the Republicanization of the SBC s Republicanism in the context of the rise of the Fundamentalist Right and the emergence of a Republican majority in the South Describing the SBC s political roots Oran P Smith contrasts Baptist Republicans with the rest of the Christian Right while revealing the theological cultural and historical factors which have made Southern Baptists receptive to Republican Fundamentalist Right influences The book is a must read for anyone wishing to understand the intersection of religion and politics in America today *The Soul of God* Ray S. Anderson,2004-08-02 In this theological memoir Ray Anderson takes us on his own journey from the prairie to the pulpit and from the soul of a believer into the soul of a theologian As a sequel to his earlier book *The Soul of Ministry* he shares with us the process by which his own spiritual hunger moved from uneasiness and unrest into a deeper sense of the soul of theology as exploration into the very soul of God Part One In Part Two each chapter traces out the contours of a theology which sings as well as stings After more than 40 years of ministry as pastor teacher and theologian Anderson presents a theological hermeneutic by which Scripture and human experience can be read on the same page If reading this book produces astonishment and wonder at the depth and daring to which God s grace encounters and embraces us through Jesus Christ then that itself will lead us with awe and reverence to behold the soul of God *A Companion to American Foreign Relations* Robert Schulzinger,2008-04-15 This is an authoritative volume of historiographical essays that survey the state of U S diplomatic history The essays cover the entire range of the history of American foreign relations from the colonial period to the present They discuss the major sources and analyze the most influential books and articles in the field Includes discussions of new methodological approaches in diplomatic history

Hide and Leather with Shoe Factory ,1915 *Exodus from the Alamo* Phillip Thomas Tucker,2020-01-10 The award winning historian provides a provocative new analysis of the Battle of the Alamo including new information on the fate of Davy Crockett Contrary to legend we now know that the defenders of the Alamo during the Texan Revolution died in a merciless predawn attack by Mexican soldiers With extensive research into recently discovered Mexican accounts as well as forensic evidence historian Phillip Tucker sheds new light on the famous battle contending that the traditional myth is even more off base than we thought In a startling revelation Tucker uncovers that the primary fights took place on the plain outside the fort While a number of the Alamo s defenders hung on inside most died while attempting to escape Capt Dickinson with cannon atop the chapel fired repeatedly into the throng of enemy cavalry until he was finally cut down The controversy surrounding Davy Crockett still remains though the recently authenticated diary of the Mexican Col Jos Enrique de la Pe a offers evidence that he surrendered Notoriously Mexican Pres Gen Antonio L pez de Santa Anna burned the bodies of the Texans who had dared stand against him As this book proves in thorough detail the funeral pyres were well outside the fort that is where the two separate groups of escapees fell on the plain rather than in the Alamo itself **The New**

Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries. **Journal of Travel Research**, 1998 *One Soul's Journey* Louise V. V. Simson, 2020-11-15 This book is about the first thirty four years of my life. It takes the reader back when and where I was born in Australia and then it goes on to explain how I immigrated to the United States and then to Canada. After this my story takes you to all the wonderful places I traveled to live and work in during the 1970s. It was wonderful to go to places where too many tourists had not traveled to at that time. I am now seventy three years of age. I got my BA degree in 1966 from Trenton State Teacher's College which is now the College of New Jersey. In 2005 I graduated with an MS degree in management and administration of educational programs from Nova Southeastern University Ft Lauderdale Florida. After that I went on to finish all the courses in the doctoral program organizational leadership online with Nova Southeastern University. I have written animated scripts for the Canadian portion of Sesame Street teaching children about Canadian history through a character called Beau Beaver for the Canadian Broadcasting Corporation and animated scripts for the Singapore government's Save Water Program back in the 1970s.
