Blue & Gold and Black Robert John Schneller,2008 During the twentieth century the U S Naval Academy evolved from a racist institution to one that ranked equal opportunity among its fundamental tenets This transformation was not without its social cost however and black midshipmen bore the brunt of it Blue Gold and Black is the history of integration of African Americans into the Naval Academy The book examines how civil rights advocates demands for equal opportunity shaped the Naval Academy s evolution Author Robert J Schneller Jr analyzes how changes in the Academy s policies and culture affected the lives of black midshipmen as well as how black midshipmen

effected change in the Academy's policies and culture. Most institutional history is written from the top down while most social history is written from the bottom up. Based on the documentary record as well as on the memories of hundreds of midshipmen and naval officers, *Blue Gold and Black* includes both perspectives. By examining both the institution and the individual, a much more accurate picture emerges of how racial integration occurred at the Naval Academy. Schneller takes a biographical approach to social history. Through written correspondence, responses to questionnaires, memoirs, and oral histories, African American midshipmen recount their experiences in their own words. Rather than setting adrift their humanity and individuality in oceans of statistics, Schneller uses their first-hand recollections to provide insights into the Academy's culture that cannot be gained from official records. Covering the Jim Crow era, the civil rights movement, and the empowerment of African Americans from the late 1960s through the end of the twentieth century, *Blue Gold and Black* traces the transformation of an institution that produces men and women who lead not only the Navy but also the nation. Ebony, 2000-11. EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American focused magazine. **Chicano Poetry** Juan Bruce-Novoa, 2014-02-19. Alurista, Gary Soto, Bernice Zamora, Jos Montoya. These names luminous to some, remain unknown to those who have not yet discovered the rich variety of late twentieth-century Chicano poetry. With the flowering of the Chicano Movement in the mid-1960s came not only increased political awareness for many Mexican Americans but also a body of fine creative writing. Now the major voices of Chicano literature have begun to reach the wider audience they deserve. Bruce Novoa's *Chicano Poetry: A Response to Chaos*, the first book-length critical study of Chicano poetry, examines the most significant works of a body of literature that has grown dramatically in size and importance in less than two decades. Here are insightful new readings of the major writings of Abelardo Delgado, Sergio Elizondo, Rodolfo Gonzales, Miguel M. Ndez, J. L. Navarro, Ra l Salinas, Ricardo S. nchez, and Tino Villanueva, as well as Alurista, Soto, Zamora, and Montoya. Close textual analyses of such important works as *I Am Joaqu n*, *Restless Serpents*, and *Floriscanto en Aztl n* enrich and deepen our understanding of their imagery, themes, structure, and meaning. Bruce Novoa argues that Chicano poetry responds to the threat of loss, whether of hero barrio, family, or tradition. Thus Jos Montoya elegizes a dead Pachuco in *El Louie*, and Ra l Salinas laments the disappearance of a barrio in *A Trip through the Mind Jail*. But this elegy at the heart of Chicano poetry is both lament and celebration for it expresses the group's continuing vitality and strength. Common to twentieth-century poetry is the preoccupation with time, death, and alienation, and the work of Chicano poets, sometimes seen as outside the traditions of world literature, shares these concerns. Bruce Novoa brilliantly defines both the unique and the universal in Chicano poetry. *Catalog of Copyright Entries. Third Series*. Library of Congress, Copyright Office, 1965.
