Wd My Essential Driver:

My Super PC - How to Build Your Own Computer Rob Williams, 2009-03-01 You can build a computer that's affordable, high quality and with eye popping performance like My Super PC. Every part, every component and every step in the assembly of a 64 bit desktop computer is described in detail. This book is the companion guide for the web site www.MySuperPC.com. The book contains the same information as assembly web pages at the web site. Using over 250 color images, the steps for building your own computer are given, beginning with a complete parts list to component description, detailed assembly instructions, setting up the BIOS, installing the Windows XP/Vista operating system and even trouble shooting common problems.
