Congress. House. Appropriations,1926 **Spiritual Magazine** ,1863 *The Galaxy* William Conant Church,1868 **The Chronicle of Jeremiah Goldswain** Ralph Goldswain,2014-07-19 This is the story of the 1820 Settler Jeremiah Goldswain in his own words After thirty eight years on the eastern boundary of the Cape Colony he sat down to write his memoirs It is a close up view of four decades during a period when the British Empire was expanding in southern Africa with the borders being pushed ever farther into the hinterland by successive governors As a result there was constant conflict between the African tribes and the colonists Jeremiah was directly involved in three of the nine Frontier Wars that occurred between 1779 and 1879 It is the story of hardship and the struggle for survival of Jeremiah and his family his wife Eliza and their ten children on one of the most volatile borders the world has ever seen Even in peacetime the conflict and violent clash of cultures were constantly present and many settlers were murdered including members of Jeremiah s family Through all this we see a man making his way in a world he could not have imagined while growing up in rural Buckinghamshire He lived during an important historical time for South Africa not only observing and fighting the wars but meeting and serving with some of the most famous names in South African history He saw in detail the

effects of the Cattle Killing of 1856 the Boer uprising in the Orange River Sovereignty as well as several other famous and notorious historical events The text has been published once only by the van Riebeeck Society in 1949 and since then has been used by scholars and historians as a primary source It has not been widely read because Jeremiah had no education and although he had an extraordinary ability to describe experience and express his emotions he was a stranger to the conventions of written language Now Ralph Goldswain has transcribed the original text into an accessible account of forty years of frontier history Treasury Decisions Under Customs and Other Laws United States. Dyck, 2019-12-12 Early Modern German Philosophy 1690 1750 makes some of the key texts of early German thought available in English in most cases for the first time The translations range from texts by the most important figures of the period including Christian Thomasius Christian Wolff Christian August Crusius and Georg Friedrich Meier as well as texts by consequential but less familiar thinkers such as Dorothea Christiane Erxleben Theodor Ludwig Lau Friedrich Wilhelm Stosch and Joachim Lange The topics covered range across a number of areas of theoretical philosophy including metaphysics the immortality of the soul materialism and its refutation the pre established harmony epistemology the principle of sufficient reason the limits of reason with respect to matters of faith and logic the role of prejudices in cognition and the doctrine of truth These texts are intended to showcase German philosophy in the early Modern period as a far richer tradition than it is typically given credit for and indeed as much more than either a footnote to Leibniz or merely a step on the way to Kant This collection is a valuable resource for students and scholars interested in the early modern German tradition and the often neglected works that enlightened it
