on destroying the New Way Once again I have chosen to imagine what it must have been like for some of the characters who were introduced in Book 1 of the New Way Series to become adults and relocate to Antioch of Syria They expected to be in the minority They were prepared to face the misunderstanding of other religions But they were surprised to discover that some of the hardest battles were keeping the peace with fellow followers They had to deal with questions conflicts and disagreements as the New Way was being forged and strengthened by its battles These young adults had to determine what they believed and what they were willing to sacrifice in order to follow those beliefs What would they give up in order to be obedient to Jehovah Watch as these young friends of Jesus became adults in a strange land far from home And look forward to the final New Way Series Book 8 Telling the World from Antioch of Syria where they begin to face the high price of spreading the New Way deeper and deeper into the uttermost parts of the world Coal Review ,1923
