The Wild K. Webster,2017-08-02 I brought them to the wilderness because we couldn t cope with our reality The plan was to make a new life that didn t include heartache No people No technology No interference Just us A chance to piece together what was broken But the wilderness is untamed and harsh Brutal and unforgiving It doesn t give a damn about your feelings Tragedy lives there too No escaping the truths that won t let you go All you can do is survive where love no matter how beastly is the only thing you can truly count on Confusing Wrong Twisted Beautiful Sick Love is wild And we re going to set it free

WARNING The Wild is an extremely taboo story Most will find that the themes in this book will make you incredibly uncomfortable or maybe even offend you This book is only for the brave the open minded and the ones who crave love in even the most dismal of situations Extreme sexual themes and violence in certain scenes which could trigger emotional distress are found in this story If you are sensitive to heavy taboo themes then this story is not for you Seriously you ve been warned Don t say I didn t try You re probably going to cringe many many many times Even if you re on the fence it s probably not a good idea to proceed However if you re intrigued and fearless and kind of sort of trust me then carry on This book is for you
