Maya Angelou

1928

Maya Angelou was born in St. Louis, where her mother lived, but was raised in Arkansas by her grandmother, who ran a general store. She began a theatrical career when she toured with Porgy and Bess in 1954-1955. Angelou is now a poet, writer, lecturer, and teacher. She read her poem "On the Pulse of Morning" at the 1993 presidential inauguration of Bill Clinton. A critic in Southern Humanities Review has said that "her genius as a writer is in her ability to recapture the texture of the way of life in the texture of its idioms, its idiosyncrasies, and especially its process of image making." Angelou's many books include Oh Pray My Wings Are Gonna Fit Me Well (poetry, 1975) and I Know Why the Caged Bird Sings (autobiography, 1969); her most recent is an autobiographical volume, A Song Flying Up to Heaven (2002). In "Graduation," Angelou remembers the anger and pride of graduation day at her segregated school in Stamps, Arkansas. To learn more about Angelou, visit her Web site, <http://www.mayaangelou.com>.

GRADUATION

The children in Stamps trembled visibly with anticipation. Some adults were excited too, but to be certain the whole young population had come down with graduation epidemic. Large classes were graduating from both the grammar school and the high school. Even those who were years removed from their own day of glorious release were anxious to help with preparations as a kind of dry run. The junior students who were moving into the vacating classes' chairs were traditionbound to show their talents for leadership and management. They strutted through the school and around the campus exerting pressure on the lower grades. Their authority was so new that occasionally if they pressed a little too hard it had to be overlooked. After all, next term was coming, and it never hurt a sixth grader to have a play sister in the eighth grade, or a tenth-year student to be able to call a twelfth grader Bubba. So all was endured in a spirit of shared understanding. But the graduating classes themselves were the nobility. Like travelers with exotic destinations on their minds, the graduates were remarkably forgetful. They came to school without their books, or tablets or even pencils. Volunteers fell over themselves to secure replacements for the missing equipment. When

I Know why the Caged Bird Sings, by Maya Angelou Mildred R. Mickle, 2010 This title includes in depth critical discussions of Maya Angelou's novel *I Know Why the Caged Bird Sings* took the world by storm when it was published in 1969. As it shot to the top of best seller lists it made Angelou one of the most recognized black women in America. Despite controversy over its frank depiction of sexual abuse the autobiography is still widely read in high schools and colleges across the country. Three decades after it was published readers continue to admire Angelou's artistry, wit, and indomitable spirit. Edited by Mildred R. Mickle, Assistant Professor of English at Penn State Greater Allegheny, this volume brings together a variety of critical offerings on Angelou's famous autobiography. Mickle's introduction pays tribute to Angelou's achievement and examines the inspiration she drew from Phillis Wheatley's civil rights advocacy as well as the similarities between *Caged Bird* and Harriet Jacobs' *Incidents in the Life of a Slave Girl* and Paul Lawrence Dunbar's poetry. The *Paris Review*'s Christopher Cox reminds readers of how revolutionary Angelou's autobiography was when it was published and recounts the comments Angelou made on her work in an interview with George Plimpton. Four original essays by Amy Sickels, Pamela Loos, Neil Heims, and Robert C. Evans provide valuable context for readers new to Angelou's work. Sickels discusses the historical events that surround Angelou's life: the civil rights, black power, and black arts movements as well as the emergence of black women's literature with the first publications of Toni Morrison, Nikki Giovanni, Alice Walker, and Lucille Clifton. Loos provides a survey of the major pieces of criticism on *Caged Bird*, paying special attention to the book's early reception and how it fits in the autobiographical genre and slave narratives as well as issues of race, gender, aesthetics, and identity. Neil Heims discusses the struggle for a black identity through readings of both *Caged Bird* and James Baldwin's *If Beale Street Could Talk*. Finally, Robert C. Evans examines the role that both formal and informal education play in the young Maya's maturation. The collection also includes ten previously published essays that examine *Caged Bird* through a variety of lenses. Critics examine the character of young Maya, noting how her rootlessness contributes to her perseverance and adaptability as well as how Angelou's narrative technique allows her to recount the details of incredible life without being controlled by them. The book's treatment of sexual abuse is also investigated in the larger context of other black women's narratives of sexual abuse. Other critics attend to *Caged Bird*'s place in the genre of ethnic autobiography and the particular challenges it presents to teachers seeking to expose students to multicultural literature, the childhood roots of Angelou's political activism, the influence of blues music on the narrative's structure, and the young Maya's relationships with the black community, literature, and the women in her life.

make about literacy in a pluralistic society are fundamentally moral ones either supporting inequitable power relationships or seeking to transform them Powell explores the underlying ideological assumptions of schooled literacy and examines the ways teaching practices create tensions in the lives of students tensions that often result in alienation and educational failure particularly among those whose cultural knowledge and language tends to be marginalized in our nation s schools While primarily ground in critical theory this volume also draws from multicultural and holistic perspectives in the teaching of written and oral language and addresses the link between whole language and critical pedagogy Thus the text is both theoretical and practical Powell effectively argues that literacy instruction should encourage social responsibility and civic action should enable students and teachers to understand the transformative potential of language and should nurture a culture of compassion and care
