You Need More Money Matt Manero,2018-03-20 Whoever you are whatever your financial situation I m here to give you a wake up call my friend Twenty five years ago I set off on my own with nothing but a folding table and a phone For years real success eluded me I told people I was doing well when I was often on the edge of being broke Millions of people face the same plight including my beloved brother in law who died tragically before he could fix his money problems That was MY wake up call I knew I needed more money but I didn t know how to get it I only turned things around by getting honest with myself taking responsibility for my situation and figuring out some practical solutions

Now I'm going to show you how to do the same. In polite society we don't like to talk about money. But it's too important to tiptoe around. In these pages you and I are going to cut the BS and get real. For starters I'll help you understand how the money has moved. You can get rich by starting a business or by rising to the top of an existing organization. Let's figure out what's right for you. It's going to take grit and guts, but if you follow my road map, you'll start accumulating real wealth, the kind that lets you live the life of your dreams and lasts for generations to come.
