Readers also receive helpful supplementary resources that will aid them on their journey to college success, including a college vocabulary glossary, college knowledge quiz with answer key, a list of scholarships exclusively for adult students, and a suggested course syllabus with detailed course calendar.

Higher Education by Design Bruce M. Mackh, 2018-04-17. Faculty in higher education are disciplinary experts but they seldom receive formal training in teaching. Higher Education by Design uses the principles of design thinking to bridge this gap through practical examples and step-by-step instructions based on educational theory and best practices in pedagogical and curricular development. This book offers practical advice for effective teaching and instruction, interdisciplinary curricular collaborations, writing course syllabi, creating course outcomes and objectives, planning assessments, and building curricular content. Whether you are a seasoned professor or new instructor, the strategies in this book can improve your practice as an educator.
