Weekend In Hell:

The Wedding Weekend: A Hilarious Romantic Comedy Syed Inam Ullah, 2025-01-24 What's the worst that could happen when you fake a date for a wedding weekend? For Olivia Bennett the answer is everything. Determined to survive her sister's wedding without awkward questions or meddling relatives, Olivia ropes in Max Harrison, a charming and chaotic photographer, to play the role of her boyfriend. The plan is simple: smile for the pictures, dodge exes, and keep it strictly pretend. But when secrets spill, sparks fly, and hilarity ensues, their fake relationship starts to feel far too real. *The Wedding Weekend* is a laugh-out-loud romantic comedy packed with witty banter, hilarious mishaps, and a swoon-worthy love story. Perfect for fans of Emily Henry, Christina Lauren, and BookTok's favorite romantic comedy novels, this story will have you hooked from the first page to the last.

The Haunted Weekend of Graduation Return's Charles J. Stebbins Sr., 2012-05-17 *The Haunted Weekend of Graduation Returns Ten Years Later*. It was 10 years later after Jim and his wife Tina moved to Florida with their two children. While Jim was working at his construction site, he thought he was seeing figures of men in dark hats and coats. He ignored the situation. As the day passed again, he saw these men in black hats and coats. Jim whispered to himself, "It can't be, they found me. It's happening all over again." He was right; it's been 10 years. The times of all this horrifying terror have begun again. Darlene, his ex-girlfriend, is back from the Netherlands. The plethora of deaths by decapitation has started again. Another weekend of grueling terror has come back to life. After winning the battle again for the second time, which ended back in Starks, Maine, he heard a voice. It was Darlene. She said in a soft voice, "We'll always be together; you can't run or hide. I know at all times where you are." Then she was gone. All Jim heard after that was her evil laugh, then his son Jim Jr.'s laugh.

A Cautionary Tale Hannah Brockway, 2024-05-08 I was diagnosed with anorexia nervosa at the age of sixteen. When I had just turned eighteen, I was admitted to hospital for treatment. After nine weeks on a mental health ward, I was discharged, but I was far from recovered. This is the tale of my continuing battle with Anorexia Nervosa, which has taken over half of my life so far. *A Cautionary Tale* is an incredibly vulnerable and insightful lived experience account of a non-binary, late-diagnosed autistic's decades-long battle with anorexia nervosa. It is also a scathing rebuke of mainstream anorexia nervosa treatment programs and the deep, enduring harm that these can cause. It is a call to action for clinicians in this country to know and do better when supporting their clients with anorexia nervosa. I had the privilege to read an advanced copy of Hannah's book and would love to see this in as many hands as possible. Emma, autistic ADHD clinician.
