*The House of Caine (Second Edition): The Book of Enoch* Fahim Nassar,2019-03-06 Cassius Curt is the descendant of a great race of Vampires though he has no idea His true history is hidden from him by his father King Adonis and he grows up as a human humble farmer and son of a king He is brother to seven sisters and twin to a brother who secretly seeks his own destiny One day his brother is murdered and Cassius is the blame From there the poor monarch discovers his Vampire nature and with the help of a stranger sets off to a new world He finds himself in Enoch a woodland planet with a bird like race of people a population of near humans called Nooreds and of course Vampires Cassius decreed that his old life was dead He took up a new name Caine and made his destiny is his own as a soldier in the Great Vampire Army Lilia Marsten is an adventurous young woman with a wild afro and soft emerald green eyes She was raised by adopted parents who could not bear children She had a calling for magic and spells though in her young years it was mostly tricks and novelties This was a time early in the planet Eden s emergence Civilizations were not plentiful throughout the small mostly water based planet That was changing Patches of life became larger and cities grew from weeds Lilia s best friend was the young prince chosen

to be the first king She was bequeathed to the prince of Eden City a bright handsome athletic young man named Adonis The pair loved each other regardless of promise On the day Adonis was to be named king she mysteriously vanished He was distraught and did not want to go on without her The Angelitus a race of winged intelligent life descended upon Eden with knowledge of life and of the galaxy they lived in It was foretold that Adonis actions would lead Eden into a new age King Adonis was to be the first true king of Eden and the knowledge was for his people to grow in this fledgling young world Marriage was necessary to be king Lilia s parents had a second child Eve a few years after they adopted Lilia Adonis was made to marry Eve They bore nine children two twin boys and seven girls Lilia unknowingly found an open portal and stumbled into the far away world of Enoch With her memory stripped from her she finds her way through in this new strange inhabited world With magic her mother taught her and the aide of a friend Lilia navigates her new life and fall in love with the general of the Vampire army a man named Caine All is well until darkness befalls the woodland planet of lavender water and purple leaves Anger darkness and fear enter into the marriage of Caine and Lilia Once they discover who they are and what they are to each other the very fabric of their relationship becomes strained A plan is hatched to depose the king laid by the queen herself Mysterious shadows descend upon Enoch as hate and rage descend upon the House of Caine Take a journey of love and pain truth and honor one of amazing creatures and marvelous new worlds Welcome to The House of Caine

*Hell's Slave* Ben Settle,2018-01-18 The 12 soldiers screamed out in horror as Finius dragged them down the hall by their entrails His strength and power were such that it was like pulling 12 screaming balloons by their strings It s been nine months since Azriel defeated the werewolf king Since then he s been on the lam hiding from monsters He works a boring job stocking shelves in an office supply store He verbally abuses the customers for his amusement And he enjoys a content life he hasn t had since first working as a monster bounty hunter for the government But all that ends when a church pastor from his past shows up at his job pleading for help while being chased by a cackling transgendered grim reaper From there this penultimate Enoch Wars saga chapter is a bloody race against the clock as Azriel battles hell s most powerful agent along with old foes he thought he d destroyed to stop him from releasing the fallen angel Abaddon from the Abyss and turning the entire planet into a food supply for his monstrous children

**Evil's Child** Ben Settle,2017-04-02 As soon as the evil monster was in full view she felt a sharp pain in her stomach It felt like her unborn baby leapt for joy It reminded her of the the six month in the womb John the Baptist leaping in the presence of the recently conceived baby Jesus Azriel Creed is having a baby and he s horrified He senses something fiendish and diabolical about his unborn child Even the sonogram suggests a devilish grin on its lips as if it s scheming to commit murder and genocide fresh out of the womb Is it connected to Azriel s dark destiny as Lucifer s favorite Or just a result of his unholy Predator heritage Meanwhile a creature of pure evil created by Nimrod when the Tower of Babel was built awakens in a cold basement An evil that eats monsters Predators and people alike and is so powerful not even the angels of heaven can kill it It also has only one agenda To track down and

destroy Azriel and everything he loves Only King David Saint Martha and Fezziwig the vampire have been able to stop it throughout the centuries And Azriel must discover the mystery of how they did it before it slaughters him and everything he loves
