drug lord threatened to kill us I decided I should write down some of these stories So I have I hope you like them And now a quote from James May Richard Porter has asked me to write a quote for his new book about the ancient history of Top Gear But this is a ridiculous request How can one write a quote Surely by definition a quote must be extracted from a greater body of writing for the purpose of illustrating or supporting a point in an unrelated work I cannot write a quote any more than I could film an out take Porter like Athens has lost his marbles      **British Technology Index** ,1981      **U.K. Vet** ,2002
