Many conflicts such as the Chinese Civil War, the Korean War, the Vietnam War, and the Arab Israeli wars acted as proxy wars for the U.S. Soviet competition. Other major issues explored in this examination of the Cold War include Europe's Iron Curtain, the nuclear arms race, decolonization in Africa, and the spread of communism into Latin America and Southeast Asia. *The Cold War (SparkNotes History Note)* SparkNotes, 2014-08-12 The Cold War SparkNotes History Note Making the reading experience fun SparkNotes History Guides help students strengthen their grasp of history by focusing on individual eras or episodes in U.S. or world history. History of Cold War IntroBooks, 2018-02-19 World War II has been that topic of discussion for a long time of period and almost everyone is already aware of that. This was the global war which lasted for seven long years from the date of 1939 to 1945, the conflicts related to which were already in action. Though this war ended in 1945, there were still some things which could be seen as the result of this conflict, among which the one name that you can count on is Cold War. This was basically the name which was given to the relationship that was noticed developing between the USA and the USSR. *Access to History: The USA and the Cold War 1945-63 Second Edition* Oliver Edwards, 2002-08-30 This second edition has been updated to take account of recent historical research into the period, including up-to-date interpretations relating to the Cuban Missile Crisis. [The Cold War - Part 2](#) , Communists and capitalists united in World War II to defeat the Axis powers But following victory in 1945 the allies became adversaries The world s two great superpowers the United States and Soviet Union locked in a dramatic showdown over ideology vision and freedom that would persist for five decades Under the omnipresent threat of nuclear holocaust the Cold War became the defining conflict of the twentieth century The second of two parts this documentary program chronicles the unrest within the Soviet bloc the Cuban Missile Crisis proxy wars in Vietnam and elsewhere Detente the Reagan Gorbachev era and the collapse of the Soviet Union and liberation of its communist satellite states

The Strategic Defense Initiative and the End of the Cold War - Report on SDI, Star Wars, President Reagan, Fall of the Soviet Union, Gorbachev, Teller, ABM Treaty, and Reykjavik Summit Department of Defense, Naval Postgraduate School, U. S. Government, 2017-09-16 This is a fascinating historic analysis of the fall of the Soviet Union and the end of the Cold War The Cold War s end was sudden unpredictable and the seminal event of the latter half of the twentieth century Since the disintegration of the USSR debate has centered on whom or what was responsible for the end of the conflict Perhaps no issue is as controversial as the role the U S Strategic Defense Initiative SDI played in ending the Cold War Today there are three main schools of thought concerning SDI s impact on the end of the Cold War The first sees the Strategic Defense Initiative as a primary factor in ending the conflict Another argues the initiative extended the Cold War by creating one more hurdle to the negotiations between the two superpowers A third school holds that while SDI had a positive impact on ending the Cold War it was a secondary factor The third school s

position is best supported by the available evidence All of the arguments stem from several key questions The central issue concerns the question What drove Gorbachev s decision to exit the Cold War This thesis rephrases that question more narrowly What were the primary influences that motivated Gorbachev to sign the Treaty Between the United States of America and the Union of Soviet Socialist Republics on the Elimination of Their Intermediate Range and Shorter Range Missiles INF Treaty which arguably ended the conflict and to what degree were they instrumental in its signing Additional questions that will be addressed include the following Did either the Soviet Union s investment in developing countermeasures to the U S defense initiative or its own ballistic missile defense BMD system severely strain the Soviet economy Did Soviet fear of losing a new arms race in light of their economic and technological backwardness as compared to the West push them to negotiate Were there other factors that would have driven Gorbachev to exit the Cold War regardless of the Strategic Defense Initiative
