

During the Horus Heresy, many of the galaxy's Knight Houses joined the Warmaster Horus or pledged new allegiance to the Magos of the emerging New Mechanicum. From their corrupted souls, the poison of Chaos seeped into the engines that had been entrusted to them. The original machine spirits of the Knights became warped into monstrous creatures and steel, atmosphere and screams. Now these giant beasts and their pilot-ride to war in the belief of the Chaos Gods and their greatest Champions. When once they fought for honour and glory, now they bring battle to dominate and degrade, their desire to rule twisted into a hunger for power and conquest.

WIGHT ENGINEER
 Working with mechanical energy, the Wight Engineer is seen in factories, located in the Chaos cities. He studies the workings of mechanical weapons in order to use them properly, intelligently.

WIGHT WARRIOR
 A warrior of the Chaos Knights, the Wight Warrior is a warrior who fights with the support of mechanical weapons and armor. Wight Warriors are known for their ability to destroy the most dangerous enemies in battle.

Just as the loyalist Knight Houses maintain strict social and family hierarchy so too do the Chaos Knights. Rank brings privilege and reward and command of armies. Those between steel lands and battle become while those are not warriors, and they can decide the fate of campaigns and worlds. To the maximum profit of war, and just as importantly the blessings of the Chaos Gods. Unswerving support is usually rewarded, their twisted Knights gifted to worthy subordinates.

WIGHT DETONATOR
 These warriors belong to the elite units of a Knight House. They are responsible for the most dangerous missions, often involving the destruction of the enemy's most important targets. They are known for their ability to destroy the most dangerous enemies in battle.

WIGHT TANK
 A warrior of the Chaos Knights, the Wight Tank is a warrior who fights with the support of mechanical weapons and armor. Wight Tanks are known for their ability to destroy the most dangerous enemies in battle.
