Histories, Memories and Representations of being Young in the First World War Maggie Andrews,N. C. Fleming,Marcus

Morris,2020-10-08 This book seeks to place children and young people centrally within the study of the contemporary British home front its cultural representations and its place in the historical memory of the First World War This edited collection interrogates not only war and its effects on children and young people but how understandings of this conflict have shaped or been shaped by historical memories of the Great War which have only allowed for several tropes of childhood during the conflict to emerge It brings together new research by emerging and established scholars who through a series of tightly focussed case studies introduce a range of new histories to both explore the experience of being young during the First World War and interrogate the memories and representations of the conflict produced for children Taken together the chapters in this volume shed light on the multiple ways in which the Great War shaped disrupted and interrupted childhood in Britain and illuminate simultaneously the selectivity of the portrayal of the conflict within the more typical national narratives

U.S. History Through Children's Literature Wanda Miller,1997-03-15 Allow students to step back in time to experience the thoughts feelings dilemmas and actions of people from history For each history topic Miller suggests two titles one for use with the entire class and one for use with small reading groups Summaries of the books author information activities and topics for discussion are supplemented with vocabulary lists and ideas for research topics and further reading This integrated approach makes history meaningful to students and helps them retain historical details and facts

Promoting Reading for Pleasure in the Primary School Michael Lockwood,2008-06-24 Winner of the UKLA Author Award 2009 Lockwood has written a useful supportive book which will help teachers and librarians He describes the background and summarises the research and then proposes thoroughly practical programmes Carousel Michael Lockwood has produced an excellent practical overview and analysis of what works in the primary school to promote reading for pleasure Lockwood s work is grounded and valuable to those who need it most teachers in the classroom working hard to engender a love of reading English Drama Media This book is first class It puts the matter very clearly and succinctly and presents a great deal of evidence to support the argument that pleasure is not a frivolous extra but the very heart and essence of what reading is about It also gives readers plenty of ideas for carrying the principle into the classroom and for justifying it This is an excellent piece of work which I hope will find a place on every staffroom bookshelf Philip Pullman English primary school children are less likely to read for pleasure than their counterparts in many other countries This practical and focused book discusses the background to this situation and looks at how government initiatives have tried to address it Drawing on the author s own research project in order to identify good practice in promoting reading for enjoyment the book presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading Each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes There is also an extensive annotated list of print and

internet based resources Topics covered include Becoming a reading for pleasure school Promoting a love of reading in the early years Developing reading enjoyment in the later primary years Getting boys reading Promoting Reading for Pleasure in the Primary School is written for all those involved in education who would like to see as many children as possible develop a love of reading It will be particularly relevant for primary teachers teaching assistants trainee teachers advisers and consultants as well as teacher educators and researchers *Social Studies Discoveries on the Net* Anthony D.

British Children's Literature and the First World War David Budgen, 2018-05-17

Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914 18 for young readers British Children's Literature and the First World War examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the

presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events *Historical Fiction for Children* Fiona M. Collins, Judith Graham, 2013-10-18 Historical fiction has a great deal to offer as its readers and devotees have always known The time is ripe however for the historical novel and historical picture book to be promoted more emphatically so that many more are made aware of the delight and learning to be found in the genre The editors of this book invited authors academic writers and teachers to reflect on the nature scope range and richness of historical fiction for children What is collected here provides an overview of the field a consideration of significant writers of historical fiction from the nineteenth century onwards a sense of the various historical eras commonly explored Stone Age to World War 2 a discussion of commonly raised issues themes and topics such as child labor slavery and migration and a forum for writers to reveal their insights into the writing of historical fiction Julian Atterton Berlie Doherty Michael Foreman and Philip Pullman have made contributions It provides evidence of children and students engaging creatively with historical fiction *Children's Writers' & Artists' Yearbook 2018* Bloomsbury Publishing, 2017-07-27 The annual bestselling guide to all aspects of the media and how to write and illustrate for children and young adults Acknowledged by the media industries and authors as the essential guide to how to get published The 70 articles are updated and added to each year Together they provide invaluable guidance on subjects such as series fiction writing historical or funny books preparing an illustration portfolio managing your finances interpreting publishers contracts self publishing your work Foreword by Sally Green author of the award winning YA fantasy trilogy *Half Bad* 2014 *Half Wild* 2015 and *Half Lost* 2016 NEW articles for the 2018 edition on Writing for reluctant readers by Jon Mayhew Writing for teenagers by Holly Smale Choosing the right agent by Gill McLay or the Bath Literary Agency Plotting getting started with your YA novel by Sarah Mussi Writing adventures in the real world children's non fiction by Isabel Thomas All of the 2 000 listings of who to contact across the media have been reviewed and updated The essential guide for any writer for children *Children's Book-a-Day Almanac* Anita Silvey, 2012-10-30 An almanac with information about famous events and celebrations for each day of the year and related children's book recommendations
