Was Star Wars Based On A Book:

The Rise and Fall of American Science Fiction, from the 1920s to the 1960s Gary Westfahl, 2019-10-04 By examining important aspects of science fiction in the twentieth century this book explains how the genre evolved to its current state. Close critical attention is given to topics including the art that has accompanied science fiction the subgenres of space opera and hard science fiction the rise of SF anthologies and the burgeoning impact of the marketplace on authors. Included are in depth studies of key texts that contributed to science fiction's growth including Philip Francis Nowlan's first Buck Rogers story the first published stories of A E van Vogt and the early juveniles of Isaac Asimov Arthur C Clarke and Robert Heinlein.

Science Fiction Literature through History Gary Westfahl, 2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics authors works and subgenres written by a distinguished scholar. This encyclopedia deals with written science fiction in all of its forms not only novels and short stories but also mediums often ignored in other reference books such as plays poems comic books and graphic novels. Some science fiction films television programs and video games are also mentioned particularly when they are relevant to written texts. Its focus is on science fiction in the English language though due attention is given to international authors whose works have been frequently translated into English. Since science fiction became a recognized genre and greatly expanded in the 20th century works published in the 20th and 21st centuries are most frequently discussed though important earlier works are not neglected. The texts are designed to be helpful to numerous readers ranging from students first encountering science fiction to experienced scholars in the field. [Guinness World Records 2016](#)

Equipping Space Cadets Emily Midkiff, 2022-04-19 Winner of the 2023 Science Fiction Research Association SFRA Book Award 2022 Longlist Nominee for the Best Non Fiction Award from the British Science Fiction Association Equipping Space Cadets Primary Science Fiction for Young Children argues for the benefits and potential of primary science fiction or science fiction for children under twelve years old Science fiction for children is often disregarded due to common misconceptions of childhood When children are culturally portrayed as natural and simple they seem like a poor audience for the complex scientific questions brought up by the best science fiction The books and the children who read them tell another story Using three empirical studies and over 350 children s books including If I Had a Robot Dog Bugs in Space and Commander Toad in Space Equipping Space Cadets presents interdisciplinary evidence that science fiction and children are compatible after all Primary science fiction literature includes many high quality books that cleverly utilize the features of children s literature formats in order to fit large science fiction questions into small packages In the best of these books authors make science fiction questions accessible and relevant to children of various reading levels and from diverse backgrounds and identities Equipping Space Cadets does not stop with literary analysis but also presents the voices of real children and practitioners The book features three studies a survey of teachers and librarians quantitative analysis of lending records from school libraries across the United States and coded read aloud sessions with elementary school students The results reveal how children are interested in and capable of reading science fiction but it is the adults including the most well intentioned librarians and teachers who hinder children s engagement with the genre due to their own preconceptions about the genre and children

Your Worshipfulness, Princess Leia Jeff Ryan, 2024-05-04 YOUR WORSHIPFULNESS is the story of how a teenage Carrie Fisher created Star Wars s greatest character Princess Leia Leia began as little more than a damsel in distress albeit one with cinema s most

iconic hairstyle Over three films Carrie made her a complicated character beloved the world over Then Darth Vader died the Ewoks danced the credits rolled and that was that Carrie now had the rest of her life to live stuck in Leia's shadow What do you after the whole world has seen you duct taped into a metal bikini Worse what can you do when the secrets you've tried to hide about your inner life won't stay hidden When you can't control the thoughts in your head YOUR WORSHIPFULNESS has everything money sex love power and romance It's a story of addiction and mental illness of recovery and fame of friendship and motherhood trying to be your best when you can only remember the worst

Young Adult Literature and Culture

Harry Eiss, 2009-03-26 This book offers a multifaceted approach to the world of young adults everything from Ray Schrock's use of Walter Dean Myers sports stories to discuss race relations and cultural politics to Joyce Litton's analysis of the highly popular Sisterhood of the Traveling Pants Quartet The cover illustration is done by Joel Rudinger based on his experiences with the Inuit where he learned many of their legends and myths resulting in his own excellent work on Sedna the creation goddess a story filled with deep tragedy mystery and the world of the spirits This mythic world slides into the discussion of Harry Eiss one that focuses on The Isis Trilogy best known of Monica Hughes many works who writes Science fiction and fantasy in particular are valid carriers of myth for the 20th century and most especially for young people Margaret Best and Susann deVries also give us literature that uses science They begin The science fair project is the central metaphor and the reality in Paul Zindel's The Effect of Gamma Rays on Man in the Moon Marigolds 1970 Christopher Paul Curtis's Bucking the Sarge 2004 and Joyce Maynard's The Cloud Chamber 2005 After providing an overview science fiction Sally Sugarman offers a study of the entire genre For this study two hundred and thirty nine high school students from two schools in Vermont and Massachusetts were surveyed Alethea K Helbig provides an overview of her important activities promoting literature for the young She was a seminal scholar and educator when colleges and universities were just beginning to take the study of such literature seriously when English departments were initiating serious undergraduate and graduate classes in what previously had been seen as inferior literature Her life itself provides us with an entertaining and historically valuable autobiographical account of a person at the center of the change that has taken and continues to take place Jerry Loving expands the horizons of the entire collection of essays providing a firsthand account of how the young are educated in China including a detailed history It begins I have been traveling to mainland China at least 4 to 6 times a year as a teacher or education evaluator since 2002 As the visits and years passed I watched the education system of China slowly improve to the level my schools were like when I went to school in the 50's and 60's
