Sports Marketing Matthew D. Shank, Mark R. Lyberger, 2014-10-03 Now in a fully revised and updated 5th edition Sports Marketing A Strategic Perspective is the most authoritative comprehensive and engaging introduction to sports marketing currently available It is the only introductory textbook to adopt a strategic approach explaining clearly how every element of the marketing process should be designed and managed from goal setting and planning to implementation and control Covering all the key topics in the sports marketing curriculum including consumer behavior market research promotions products pricing sponsorship business ethics technology and e marketing the book introduces core theory and concepts explains best practice and surveys the rapidly changing international sports business environment Every chapter contains extensive real world case studies and biographies of key industry figures and challenging review exercises which encourage the reader to reflect critically on their own knowledge and professional practice The book s companion website offers additional resources for instructors and students including an instructors guide test bank presentation slides and useful weblinks Sports Marketing A Strategic Perspective is an essential foundation for any sports marketing or sports business course and an invaluable reference for any sports marketing practitioner looking to improve their professional practice

Strategic Sport Communication W. Timothy Coombs, Jennifer L. Harker, 2021-09-15 Authors Coombs and Harker provide step by step guidance on how the strategic communication process an integration of marketing communication public relations and advertising can be applied to sports communication for individual athletes teams and leagues The book is founded on the premise that the strategic communication process in sport communication is grounded in understanding the fans and sources of revenue Looking at sports globally it offers readers the traditional multi step linear approach to strategic communication message development along with the transmedia narrative transportation method a non linear approach that centers on narratives to engage target

audiences and urge them to contribute their own material to messaging With case studies and practical examples it also highlights additional issues such as race and gender social media ethics and athlete health It is an ideal text for undergraduate and graduate courses in public relations or strategic communication and sport communication An online instructor's manual accompanies the text including lecture slides a sample strategic sports communication plan a test bank links to key web sites that discuss sports and sports communication concerns links to case studies with class discussion prompts sample assignments a sample course syllabus and suggestions for further reading Please visit www.routledge.com/9780367898724 Black in School: The Black Teacher's Guide for Surviving the Classroom Kemi Oluyinka, Caren

Onanda, 2024-10-30 This is a thought provoking and insightful guide written by Black educators for educators from all backgrounds and at all levels within the education system With contributions from Black professionals within education from all levels it offers smart guidance for daily life in schools and on boosting your teaching career combined with challenging insights into the experiences of Black educators in the UK How have Black educators survived and thrived in an education system that lacks diversity at all staff levels especially so in leadership positions How can their knowledge and experience benefit your journey Explore contentious issues that directly affect Black teachers and the children they teach including Why are there so few Black male teachers What drives drop out rates among Black teachers Why do Black teachers get stereotyped and fetishised How can you use networking and professional learning to move your teaching career forward
