Read the following with your child:

- 
1. This is a multiple-choice paper in which you have to mark your answer to each question on the separate answer sheet.
  2. The paper contains a number of different types of question. Each question type starts with an explanation of what to do, followed by a worked example and solution with the answer marked on the answer sheet.
  3. Some questions require more than one answer to be marked. Read the instructions carefully.
  4. Draw a firm line clearly through the rectangle next to your answer like this . If you make a mistake, rub it out as completely as you can and put in your new answer.
  5. Be sure to keep your place on the answer sheet. Mark your answer in the column that has the same number as the question in the booklet.
  6. You may find some of the questions difficult. If you cannot do a question, **do not waste time on it but go on to the next**. If you are not sure of an answer, choose the one you think is best.
  7. **Work as quickly and as carefully as you can.**
