Preschool Success Amy James, 2006-07-18 The key to your child s educational success is in your hands Knowledge Essentials is a remarkable series that will benefit children of all abilities and learning styles I highly recommend it for all parents who want to make a difference in their children s education Michael Gurian author of *Boys and Girls Learn Differently* and *The Wonder of Boys* Finally a book about teaching young children by somebody who knows her stuff LouAnne Johnson author of *Dangerous Minds* and *The Queen of Education* In this new

addition to the Knowledge Essentials series *Preschool Success* shows you how to enrich your child's first classroom experience and take an active role in your preschooler's education. *Preschool Success* is filled with helpful advice and offers information about what your child is learning at school and the educational standards to expect in preschool level reading and writing readiness math science and social studies as well as the developmental skills expected of your preschooler. Your child's learning style visual auditory or kinesthetic and how it affects the way your child learns and processes information. Dozens of easy to do activities designed to help your child meet specific learning requirements. Environmental learning sections that identify learning opportunities in the everyday world. Methods and checklists to assess your child's progress. The developmental and social changes expected of your preschooler as well as information on how to determine readiness to move up to kindergarten. Recommendations of age appropriate books and software that will enhance learning. Give your child the gift of your time and help him or her get the most out of school with *Preschool Success*.

Teaching the Language Arts Cathy Collins Block, 2001 This book explains and demonstrates with a clear step by step approach how communication and thinking competencies can be enhanced through instruction. This revision elaborates further on a language arts program built to focus on the needs of individual students. Each of the fourteen chapters is divided into three sections covering theoretical foundations practice and professional development giving the text a practical usable organization. The second and third sections apply the principles from the first section to the classroom. Features in these sections show specific teaching strategies that offer practical ideas for teachers to develop an ongoing and successful teaching repertoire. For Language Arts teachers.
