These are followed by a series of creative poetry workshops based on the writer's own experience both as a teacher and poet running workshops in schools which focus on developing a poetry base for young writers. This imaginative base provides a range of poetic techniques and gives pupils experience in developing a repertoire of different forms. The book also offers advice on how to organize an effective workshop and demonstrates how to teach poetry writing in a dynamic creative and imaginative way in relationship with the KS3 national framework. Pie Corbett also provides useful advice on working with visiting poets in school, addresses for relevant web sites, a list of books for follow up work and a glossary of poetic forms and techniques. Workshops include writing from first hand observation, autobiography, valuing our lives, writing about paintings, sculpture and music, surreal boxes and the bag of words, secrets, lies, wishes and dreams, creating images, taking word snapshots, riddles, hiding the truth and red wheelbarrows and messages for mice.
