Woman Called Moses Jean-Christophe Attias, 2020-04-07 What if there was another Moses very different from the one we know According to tradition Moses wrote the first five books of the Bible He is depicted there in a surprising way with and against God with and against his people bringer of the Tablets of the Law which he breaks a stuttering prophet guide to a Promised Land entry to which remains forbidden to him and dead in an unknown tomb Highly confusing for those who imagine a Moses carved out of a single block By way a series of possible portraits including one of a female Moses Jean Christophe Attias follows the metamorphoses of the Hebrew liberator through ages and cultures Drawing on rabbinical sources as well as the Bible itself he examines the words of the texts and especially their silences He discovers here a fragile prophet teacher of a Judaism of the spirit of wandering and of incompleteness Receive and transmit Listen even when the message is confusing Insistently question especially when there is no answer And always remain free This seems to be the Judaism of Moses A Judaism that speaks to believers and others to Jews of course but also far beyond them inviting its hearers to have done with tribal pride the violence of weapons and the tyranny of a special place *A Catalogue of Books, in Various Languages, and Upon Every Branch of Literature, for 1821* William Mason, 1821 **A General Catalogue of Books** Bernard Quaritch, 1874 Catalogue of Books, 1843 A Dictionary of Hymnology John Julian, 1892 **Catalogue of Title Entries of Books and Other Articles Entered in the Office of the Register of Copyrights, Library of Congress, at Washington, D.C.** Library of Congress.
