Sharp,2019-09-17 Designed to empower preachers as they lead congregations to connect their lives to Scripture *Connections* features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary This nine volume series offers creative commentary on

each reading in the three year lectionary cycle by viewing that reading through the lens of its connections to the rest of Scripture and then seeing the reading through the lenses of culture film fiction ethics and other aspects of contemporary life Commentaries on the Psalms make connections to the other readings and to the congregations experience of worship Connections is published in partnership with Austin Presbyterian Theological Seminary Abiding in the Supernatural Chinedu Daniel Obasi, Abiding in the Supernatural is Chinedu Daniel Obasi s intriguing endeavor to synopsize what the Bible and Spirit of Prophecy teach regarding living according to the guidance of the Holy Spirit Readers will be fascinated by the diverse themes that he discusses and how he ties them together Obasi lays the groundwork by defining justification and sanctification and emphasizing how much they go hand in hand Other major themes include the indispensable role of the third Person of the Godhead in the achievement of humanity s redemption as well as some of the various concoctions that the devil has forged to counterfeit biblical spirituality He unequivocally asserts our need to anticipate welcome and prepare our hearts for the latter rain which will replicate yet supersede the manifestations among the first century apostolic church Those who have read Obasi s two other books are familiar with his genuine natural fervor and this volume follows suit With intense conviction he has sought to increase everyone s awareness of the spiritual war in which we are all engaged and challenge all readers to actively fight by leaning on the might of our heavenly Captain *Jesus Becoming Jesus, Volume 3* Thomas G. Weinandy, 2022-09-28 Jesus Becoming Jesus Volume 3 follows upon the previous two volumes of this series entitled Jesus Becoming Jesus Volume 1 was a theological interpretation of the Gospels of Matthew Mark and Luke and volume 2 was a theological interpretation of the Prologue and Book of Signs of John s Gospel chapters 1-12 Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John s Gospel This is accomplished through a close reading of John s Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John s Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings In this present volume Weinandy s original theological interpretation focuses first on the Evangelist s narrative of the Last Supper which includes Jesus washing of his disciples feet followed upon his lengthy farewell address and his ensuing High Priestly Prayer chapter 13-17 Although Jesus speaks of his leaving his disciples yet their hearts should not be troubled for he is going to prepare a place for them in his Father s house and he will also send them another Counselor the Holy Spirit The Holy Spirit will not only convict the world sin but he will also empower the disciples to profess their faith in Jesus as the Father s Son even in the midst of persecution All that Jesus tells his disciple in his final discourse he then prays that his Father will accomplish through his forthcoming death and resurrection above all that his disciples will share in the same oneness of love that he and his Father possess Weinandy masterfully treats John s Passion and Resurrection Narratives He not only theologically interprets the uniqueness of the Evangelist s narratives but also how his narratives intersect with the Synoptic accounts Moreover Weinandy s

theological reading of Jesus crucifixion and resurrection weaves together John's soteriology ecclesiology and sacramentality all of which are founded upon the Incarnation that Jesus is the Father's Spirit filled incarnate Son As the title suggests Jesus being named Jesus in his death and resurrection definitively enacts his name and so becoming who he is YHWH Saves

Partial Differential Relations Misha Gromov, 2013-03-14 The classical theory of partial differential equations is rooted in physics where equations are assumed to describe the laws of nature Law abiding functions which satisfy such an equation are very rare in the space of all admissible functions regardless of a particular topology in a function space Moreover some additional like initial or boundary conditions often insure the uniqueness of solutions The existence of these is usually established with some apriori estimates which locate a possible solution in a given function space We deal in this book with a completely different class of partial differential equations and more general relations which arise in differential geometry rather than in physics Our equations are for the most part undetermined or at least behave like those and their solutions are rather dense in spaces of functions We solve and classify solutions of these equations by means of direct and not so direct geometric constructions Our exposition is elementary and the proofs of the basic results are selfcontained However there is a number of examples and exercises of variable difficulty where the treatment of a particular equation requires a certain knowledge of pertinent facts in the surrounding field The techniques we employ though quite general do not cover all geometrically interesting equations The border of the unexplored territory is marked by a number of open questions throughout the book The abiding law, twelve addresses on the Ten commandments James Aitken (of Dundee.), 1899
