White Trash Recipe Cheerios:

Somebody Is Going to Die If Lilly Beth Doesn't Catch That Bouquet Gayden Metcalfe, Charlotte Hays, 2013-05-07

Even if you've never attended a wedding in the South you'll find laughter in the pages of this deliciously entertaining slice of Southern life and love complete with recipes, advice and a huge dose of that famous charm. In the Mississippi Delta, funerals bring out the best in people while weddings, which are supposed to be happy occasions, bring out the worst. So say Gayden Metcalfe and Charlotte Hays, authors of the bestseller *Being Dead Is No Excuse: The Official Southern Ladies Guide to Hosting the Perfect Funeral*, who turn their keen eyes and sharp wit from the end of the life cycle to the all-important midpoint. For anyone planning, participating in or attending a wedding, Southern or not, this book will amuse, entertain and provide advice for marital bliss, including: It's OK to peek at an etiquette book, but if you rely too heavily on it, people will think that you are not fully acquainted with what is right and wrong. Anything that was not done in the past doesn't need to be done now. Consider this before ordering a groom's cake, especially one featuring a fishing tackle or golfing theme. [I'm Dreaming](#)

[of an Undead Christmas](#) Molly Harper, 2014-11-17 Experience the vampire world for the holidays through the eyes of Gigi Scanlon in this e-novella, prequel to *The Dangers of Dating a Rebound Vampire* from beloved paranormal romance author Molly Harper. College co-ed Gigi is headed home to Half Moon Hollow for her first Christmas since her sister Iris was turned into a vampire by her beloved, undead husband Cal. Iris is working overtime to make this holiday as normal and special as possible. After all, it's taken her months of working with Jane Jameson and the Hollow's vampires to convince herself that she won't bite her baby sister on sight. Gigi has her own worries: She's falling out of love with her high school sweetheart Ben and has no idea how to tell him. She's got a secret job interview with terrifying teen council official Ophelia Lambert. And there's a handsome but cagey vampire following her around town and then disappearing before Gigi can confirm that he's not, in fact, a figment of her fertile imagination. Holidays with family are complicated. Christmas with an undead family can be downright dangerous. *Burnt Toast* Teri Hatcher, 2006-05-02 From America's most beloved comedic actress and the star of *Desperate Housewives* comes a personal, heartfelt and often very funny manifesto on life, love and the lessons we all need to learn and unlearn on the road to happiness. Teri Hatcher secured her place in America's heart when she stood up to accept her Golden Globe for Best Actress and declared herself a has-been on national television. That moment showcased her down-to-earth, self-deprecating style and her frank openness about the ups and downs she's experienced in life and work. But what the world might not have seen that night is that Teri's self-acceptance is the hard-won effort of a single mother with all the same struggles most women have to juggle: life, love, bake sale cookies and dying cats. Now, in the hope that her foibles and insights might inspire and motivate other women, Teri opens up about the little moments that have sustained her through good times and bad. From the everyday like the importance of letting your daughter spill her macaroni so she knows it's okay to make mistakes to the rare rendezvous with a humpback whale and no, he was not a suitor, the message at the heart of *Burnt Toast*

that happiness and success are choices that we owe it to ourselves to make is sure to resonate with women everywhere
