Since the TS185 is basically similar to the TS125 in many parts of the engine and chassis, this Service Manual is limited to the description of difference in construction, handling and service data between the TS185 and the TS125.

Accordingly, when you service the TS185, it is advisable to refer to the TS125 Service Manual in addition to this manual.

It is sincerely hoped that you will find this manual very helpful in your service activity.
