faithful preaching of the gospel leads to individual and corporate renewal This new edition contains the first section of Center Church in an easy to read format with new reflections and additional essays from Timothy Keller and several other contributors

Gospel Renewal Timothy Keller,2013-09-03 It is quite easy to assume that if we understand the gospel accurately and preach it faithfully our ministry will necessarily be shaped by it but this is not true Many churches subscribe to gospel doctrines but do not have a ministry that is shaped by centered on and empowered through the gospel Its implications have not yet worked their way into the fabric of how the church actually does ministry These churches theological vision has likely arisen from something other than sustained reflection on the gospel Gospel centered ministry is more theologically driven than program driven To pursue it we must spend time reflecting on the essence the truths and the very patterns of the gospel itself This eBook contains the second part of Center Church Gospel Renewal In it Keller reflects on the history and patterns of revival how individual and corporate gospel renewal occurs and what happens as a result
