E. Mezo, 2002 A Student's Guide to Wuthering Heights by Emily Bronte is a general introduction to one of the great English novels of the nineteenth century Misunderstood by most critics and commentators upon its publication in 1847 the story of Catherine and Heathcliff and their peers and descendants slowly became recognized as the work of a genius and is now on nearly every list of recommended books for both high school and college students However many students today find the
