Torreiro, 2008 Learner Drivers Handbook James Duggan, 2018-02-22 This Learner Drivers Handbook has been prepared to help learners pass their DVSA driving test first time The author is a great believer in the maxim What you hear you will forget what you see you will remember and what you do you will learn It uses detailed colour images to follow closely the requirements for learning to drive as laid down by the Driving Vehicle Standards Agency In its

various sections it includes the following

- 1 Twelve complete and fully colour illustrated lesson plans covering all the elements which can be tested
- 2 How to get the best out of the lesson plans to ensure success in your driving test
- 3 Over 150 fully detailed colour illustrations each of which focuses on a relevant issue and designed for ease of presentation
- 4 A lesson plan guide with a breakdown of all the diagrams included in each lesson plan

The lesson plans have been set out in a general logical order with a view to going from novice to test standard and beyond However the order in which the plans are presented and the subject matter should be adapted to meet specific needs Like any instructional manual of this type the users should thoroughly familiarise themselves with its content and general layout in order to gain maximum benefit At the back of this book you will see Other Publications by This Author one of which is entitled Easy Lessons for Learner Drivers The content is exactly the same but it is a larger sized edition which some pupils might prefer for home study Many driving instructors have their own version of this book thus ensuring that you are both following the same structured lessons
