sexual fantasies The success of the book Fifty shades of grey shows the interest there is out there in an alternative discipline based life style and emphasises that many women share that interest Unlike fifty shades of grey Dominant Female Submissive Male is primarily a manual for submissive men to find the Mistress of their dreams but it is also an eye opener for frustrated women as it shows them the glorious very exotic and exciting life they could have While some submissive men are slightly pathetic and even creepy many are romantic kind hearted reliable and good fun They adore and respect women and see it as their role in life to support them What s not to like about that They will have a desire for discipline and this desire will be inextricably linked to their sexual nature For some this will be extreme and involve heavy BDSM but for most it will involve safe erotic role play and spankings The point is that Women control when how and even if it happens Women have the power in all aspects of the relationship and how they exercise that power is up to them Believe me once you have a man on his knees begging for an orgasm you will never look back But Women do not want to live with a wimp and this is what a lot of very nice submissive men fail to understand and why many of them remain frustrated and single when with a little change of emphasis their dreams are so easily achievable This book is a guide on how to affect this change of emphasis and to get across what women are looking for and will accept in a loving fulfilling and very kinky relationship It also explains how submissive men can learn to accept and enjoy their kink and how to widen their circle of fetish friends It relates the authors own experiences and offers guidance on how to get the best out of a session with a Dominatrix and how to become more than just a client to her It also explains how to tell your wife about your desire for female domination and more importantly how not to It also offers cautionary tales and about how not to get ripped off by unscrupulous con artists The central aim of the book however is to bring together good men who have a desire for female domination with good women looking for a lover who will provide happiness support fun excitement and success Please click on the look inside feature for a preview *She's on Top* Rachel Kramer Bussel, 2010-05-07 Turning the tables on rigid gender roles the stories in *She's on Top* honor the Amazon the dominatrix and other handcuff toting whip wielding she devils of the male bottom s deepest dreams Employing every item in their bag of tricks from strap ons to metal cinches these hot dommes like nothing better than teasing and tormenting their devoted subjects With stories Stan Kent Debra Hyde Saskia Walker and many more of the best writers in the field of BDSM erotica *She's on Top* shows that pleasure s best when dispensed by a firm female hand [Magazines for Libraries](#) William Armstrong Katz, 2003 **Begging For Even More Book 2** Ardor, James s adventure in office slavery continues in Book 2 right where Book 1 left off James is sent bound and naked across the alley way to get lunch for the office There he s used by a whole new set of women who know how to get what they want from a man Thrown naked in a back room bathroom James is used by every woman in the joint in any way they desire Then when he gets back to the office he has to deliver lunch in the most humiliating way possible To make matters more difficult for naked little James he has to show his worth as a slave to the female head of human resources of the corporate office Only then is he teased and made to beg even
