

Watergate Primary Source Worksheet

I. *U.S. v. Nixon* (1974)

a. What were the three reasons that Nixon gave for refusing to turn over the White House tapes?

they were doctored

would prove he was guilty

he would be impeached if he gave them the tapes.

b. What do these reasons illustrate about Nixon's understanding of the division of power within the federal government?

that the president has power but not more than the judicial.

c. How did Nixon's argument illustrate his ideas about the power of the presidency?

he thought he could get away but learned that it wont be so easy even if he was president

d. What did Chief Justice Burger say about the origins of executive privilege? How does this origin justify his decision about Nixon releasing the tapes?

e. Explain Burger's statement, "A President and those who assist him must be free to explore alternatives in a way many would be unwilling to

Watergate Primary Source Answer Key:

Watergate: The Hidden History Lamar Waldron, 2012-06-05 While Richard Nixon's culpability for Watergate has long been established most recently by PBS in 2003 what's truly remarkable is that after almost forty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in *Watergate The Hidden History* provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it *Watergate The Hidden History* reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like *Time* magazine the *Los Angeles Times* and the *New York Times*

Using Internet Primary Sources to Teach Critical Thinking Skills in History Kathleen W. Craver, 1999-10-30 History teachers and school library media specialists will find this guide a valuable resource for creating technologically advanced resource based instructional units in American and World History in grades 7-12 It is filled with 150 recommended primary source Internet sites about history ranging from ancient civilizations to 1998 and is stocked with exciting interesting and challenging questions designed to stimulate students' critical thinking skills Dr Craver who maintains an award winning interactive Internet database and conducts technology workshops for school library media specialists provides an indispensable tool to enable students to make the best use of the Internet for the study of history Each site is accompanied by a summary that describes its contents and usefulness to history teachers and school library media specialists The questions that follow are designed specifically to stimulate critical thinking skills Critical thinking skills are deemed essential for students if they are to succeed academically and economically in the twenty-first century An annotated appendix of selected primary source databases includes the Internet addresses for 60 additional primary source sites

Trinkle, Scott A. Merriman, 2000-11-17 Contains a number of path breaking studies in history pedagogy including the first three published essays measuring quantitatively and qualitatively the successes and failures of e teaching and distance learning [Chronology of the U.S. Presidency](#) Mathew Manweller, 2012-03-19 This engaging and authoritative four volume resource offers fascinating portrayals of the 44 men who have achieved the ultimate seat of power in the United States the presidency From George Washington to Barack Obama Chronology of the U S Presidency portrays each of the nation s chief executives in richly observed detail Chapter by chapter we meet the real flesh and blood men occupying the one office elected by the entire country the office that most profoundly affects the workings of the government U S relations with other countries and the everyday lives of all American citizens Spanning four volumes this work covers each president s early life and rise to power the pivotal events during his presidency and when applicable his post presidential life In addition the book includes sections on the First Ladies and presidential families plus primary source documents speeches memos messages to Congress and entertaining FYI facts for example once bitter rivals John Adams and Thomas Jefferson died hours apart on the 50th anniversary of the Declaration of Independence they helped create together More than just names and dates history Chronology of the U S Presidency helps readers understand the ways each of these intriguing men changed the country and

how he in turn was impacted by his time in power Primary Humanities Tony Pickford, Wendy Garner, Elaine Jackson, 2013-03-15 This book brings together the traditions of historical enquiry and geographical enquiry At its heart is the belief in children s capacities to be enquiring historians and geographers enabling them to develop a sound base of historical and geographical knowledge and understanding Lynne Dixon Senior Lecturer in Primary Humanities University of Greenwich This book successfully combines theory and practice it helps the reader to make sense of different perspectives of theories of learning related to these subject areas It is therefore useful to both classroom practitioners and students alike Readers will certainly be able to identify elements useful to their needs Emily Rotchell Senior Lecturer in Primary Geography University of Roehampton Providing a broad and balanced overview of the teaching of history and geography Primary Humanities Learning through Enquiry is indispensable reading for all primary teacher education students wishing to develop their understanding of teaching humanities subjects Using an enquiry based approach that encourages children to learn through questioning and investigating it combines theoretical coverage with practical examples to provide an informed engaging guide to humanities teaching in the primary classroom Key issues covered include planning and assessment in history and geography using resources in teaching and exploring creative and cross curricular approaches in humanities This is essential reading for all students studying primary history and geography on primary initial teacher education courses including undergraduate BEd BA with QTS postgraduate PGCE SCITT School Direct and employment based routes into teaching and NQTs Tony Pickford and Wendy Garner are Senior Lecturers at the University of Chester Elaine Jackson is formerly Chief Adviser Primary Trafford BC and Primary Headteacher **Data Book of Social Studies Materials and Resources** ,1987

America Pathways to the Present ,1995 *The American Counterculture* Damon R. Bach, 2020-12-03 Restricted to the shorthand of sex drugs and rock n roll the counterculture would seem to be a brief vibrant stretch of the 1960s But the American counterculture as this book clearly demonstrates was far more than a historical blip and its impact continues to resonate In this comprehensive history Damon R Bach traces the counterculture from its antecedents in the 1950s through its emergence and massive expansion in the 1960s to its demise in the 1970s and persistent echoes in the decades since The counterculture as Bach tells it evolved in discrete stages and his book describes its development from coast to heartland to coast as it evolved into a national phenomenon involving a diverse array of participants and undergoing fundamental changes between 1965 and 1974 Hippiedom appears here in relationship to the era s movements civil rights women s and gay liberation Red and Black Power the New Left and environmentalism In its connection to other forces of the time Bach contends that the counterculture s central objective was to create a new superior society based on alternative values and institutions Drawing for the first time on documents produced by self described freaks from 1964 through 1973 underground newspapers memoirs personal correspondence flyers and pamphlets his book creates an unusually nuanced colorful and complete picture of a time often portrayed in clichéd or nostalgic terms This is the counterculture of love ins and flower

children of the Grateful Dead and Jefferson Airplane but also of antiwar demonstrations communes co ops head shops cultural feminism Earth Day and antinuclear activism What Damon R Bach conjures is the counterculture in all of its permutations and ramifications as he illuminates its complexity continually evolving values and constantly changing components and adherents which defined and redefined it throughout its near decade long existence In the long run Bach convincingly argues that the counterculture spearheaded cultural transformation leaving a changed America in its wake

Congressional Record United States. Congress, 1993 *Police Unbound* Anthony V. Bouza, 2010-06-03 Former chief of police in Minneapolis and commander of the Bronx police force Tony Bouza pulls no punches in this blunt candid assessment of police culture Emphasizing the gap between the average citizen s perception of police work and the day to day reality of life as a cop Bouza reveals the inner dynamics of a secretive fraternal society that will do almost anything to protect itself The strong bonds of loyalty among police both inspire individual acts of heroism in the face of danger but also repress full disclosure of the truth when corruption or abuse of power are suspected says Bouza Young rookies are quickly molded by the unspoken rules and the code of silence that govern a cop s professional life and they soon learn that physical but not moral courage is expected Bouza evaluates sweeps roundups sting operations the controversial practice of racial profiling and the politics of law enforcement He critically examines the excesses abuses and corruption of the New York Los Angeles and Minneapolis police forces among others offering insights into what went wrong in the infamous Louima and Diallo cases But his most telling criticism is not directed against the police per se but against our society s ruling elites and the middle class who give police the unmistakable message that the underclass must be kept down and property owners protected at all costs He charges that the heart of the problem of both crime and police abuse in America is our tacitly accepted class structure separating the privileged from the poor and along with it the systemic racism that society as a whole is not yet willing to face Bouza concludes his critique on a positive note with straightforward proposals on how to make the police more ethical and effective This controversial eye opening book by a veteran insider exposes a reality that TV cop shows never portray and raises serious moral questions about class and race **The U.S. Government , Guide to the Presidency and the**

Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and

Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions *Public Financing of Federal Elections, Hearings Before the Subcommittee on Privileges and Elections...*, 93-1, on S. 1103..., S. 1954..., S. 2417..., September 18, 19, 20, and 21, 1973 United States.
