Topics For Argumentative Papers:

Academic Writing, Real World Topics - Concise Edition Michael Rectenwald, Lisa Carl, 2016-07-20 Academic Writing Real World Topics fills a void in the writing across the curriculum textbook market. It draws together articles and essays of actual academic prose as opposed to journalism; it arranges material by topic instead of by discipline or academic division and it approaches topics from multiple disciplinary and critical perspectives. With extensive introductions, rhetorical instruction and suggested additional resources accompanying each chapter, Academic Writing Real World Topics introduces students to the kinds of research and writing that they will be expected to undertake throughout their college careers and beyond. This concise edition provides all the features of the complete edition in a more compact and affordable format.

Key Features

- Contemporary cutting edge readings on relevant topics
- Extensive cross referencing between the rhetoric and the reader to help students make connections
- Full length essays rather than excerpts
- Chapter introductions that put readings in context and promote interdisciplinary connections
- Sample student essays to demonstrate student contribution
- As You Read guides to each chapter that encourage readers to locate points of contact among readings
- Questions after each reading that enable comprehension
- help students identify rhetorical moves and prompt oral and written response

Academic Writing, Real World Topics Michael Rectenwald, Lisa Carl, 2015-05-28 Academic Writing Real World Topics fills a void in the writing across the curriculum textbook market. It draws together articles and essays of actual academic prose as opposed to journalism; it arranges material topically as opposed to by discipline or academic division and it approaches topics from multiple disciplinary and critical perspectives. With extensive introductions, rhetorical instruction and suggested additional resources accompanying each chapter, Academic Writing Real World Topics introduces students to the kinds of research and writing that they will be expected to undertake throughout their college careers and beyond. Readings are drawn from various disciplines across the major divisions of the university and focus on issues of real import to students today including such topics as living in a digital culture, learning from games, learning in a digital age, living in a global culture, our post human future, surviving economic crisis and assessing armed global conflict. The book provides students with an introduction to the diversity, complexity and connectedness of writing in higher education today.

Part I: a short Guide to Academic Writing teaches rhetorical strategies and approaches to academic writing within and across the major divisions of the academy. For each writing strategy or essay element treated in the Guide, the authors provide examples from the reader or from one of many resources included in each chapter.

s Suggested Additional Resources

Part II: Real World Topics also refers extensively to the

Guide Thus the Guide shows student writers how to employ scholarly writing practices as demonstrated by the readings while the readings invite students to engage with scholarly content

Advances in Corpus-based Research on Academic Writing Ute Römer,Viviana Cortes,Eric Friginal,2020-02-15 This volume showcases some of the latest research on academic writing by leading and up and coming corpus linguists The studies included in the volume are based on a wide range of corpora spanning first and second language academic writing at different levels of writing expertise containing texts from a variety of academic disciplines and sub disciplines and of different academic registers Particularly novel aspects of the collection are the inclusion of research that combines rhetorical moves with multi dimensional analysis studies that cover both fixed and variable phraseological items lexical bundles phrase frames constructions and work that is based on corpora of English as an academic lingua franca Going beyond merely summarizing their findings the authors also discuss what their research means for academic writing practice and pedagogical settings The volume will be of interest to researchers students and teachers who would like to expand their knowledge of how academic writing functions and what it looks like in a variety of contexts

How to Write Themes and Term Papers Barbara Lenmark-Ellis,1981 A new chapter shows you how to prepare themes for complex or specialized subjects such as business or science Practical advice directs you toward selecting a topic developing your concept and styling your paper according to accepted academic standards Spelling punctuation and grammar reviews help you master the fine details of writing a paper Book jacket *Reading and Writing for Civic Literacy* Donald Lazere,2015-12-03 This brief edition of a groundbreaking textbook addresses the need for college students to develop critical reading writing and thinking skills for self defense in the contentious arena of American civic rhetoric Designed for first year or more advanced composition and critical thinking courses it is one third shorter than the original edition more affordable for students and easier for teachers to cover in a semester or quarter It incorporates up to date new readings and analysis of controversies like the growing inequality of wealth in America and the debates in the 2008 presidential campaign expressed in opposing viewpoints from the political left and right Exercises help students understand the ideological positions and rhetorical patterns that underlie such opposing views Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis
