becomes incredibly useful once you start exploring computer programming options The documentation that comes with the BC125AT includes a quick start guide and a more comprehensive manual I ll be honest with you the manual can be a bit overwhelming at first glance but don t let that discourage you That s exactly why guides like this exist to break everything down in plain English and help you understand what you actually need to know to get started Grab your copy *Scanning Gallery User's Guide* Hewlett-Packard Company,1987 Northern Utah Scanner Guide Smith Communications,1991
